SPECIFICATIONS

Overview

The Acadia 25 is a great little cruiser that could make a great fishing platform as well.

She will cruise "all day long" at 12 knots & top end at 15 knots. 12 volt refrigerator, hot & cold pressure water, enclosed head make her very comfortable.

Garmin chart plotting GPS, speed & depth make it easy to navigate. This Acadia 25 even comes with a bow thruster to keep docking easy! Come see her today!

Basic Information
