SPECIFICATIONS

Overview

This design and accommodation arrangement on the Hershine sundeck is amazing. You will be thoroughly impressed whether your plans include living aboard, extended cruising or weekend excursion or vacation time.

On deck she has extra safe and wide walk-around decks forward with high enough sides to provide a safe passage for moving about on deck. The access to the large hard top covered sun deck aft is by easy steps port and starboard and from there up onto the spacious bridge is a breeze. The mounted manual crane will easily let you load a tender onto the sundeck roof.

Below offers more privacy and comfort that is amazing from the centerline queen and spacious head. Move forward through the main salon with great light and luxurious seating down the two steps to the galley and on to the forward cabin with another head and shower.

Contact us to arrange a viewing. She is being stored in the water this winter for easy access.
