- Flybridge Seating walkthrough, custom
- New Icemakers (2019)
- Flybridge Windshield and Enclosures (2017)
- Exterior Cushions (2016)

## VESSEL BACKGROUND HISTORY

---

The vessel was originally built for a gentleman out of Charleston, SC with CATS and a Hardtop. The vessel's previous names were Wyndsong, Gumbo, Ex: Solar Express, Joey and Final Furlong; until 2016 then she became "Off Island". The Flybridge walkthrough for easy access to the Boat Deck, was done custom in 2010.

## INTRODUCTION / ACCOMMODATIONS

---

"Off Island" features accommodations for 8 in 4 Owner/Guest Staterooms; including 4 Guest Heads with showers; plus and Office just forward. **Boarding:** Boarding this beautiful yacht can easily be accomplished from several access/boarding points. Not only is accessibility eased from the Aft Platform (from a floating dock), but there are also Aft Deck boarding gates on both port and starboard sides. This is a feature not found on any other 74 presently on the market. Access is also possible from the Pilothouse area forward on either side.

**Aft Deck:** From the large molded-in Swim Platform, the Aft Deck is accessed via open Transom with spiral staircase up to the Aft Deck on the starboard side. Sizable storage Bosun's locker for lines, diving gear, cleaning equipment etc., is accessed from the aft platform. The Aft Deck features a beautiful dining table with chairs and Teak sole. Entry to the Salon is via stainless sliding glass door. **Salon:** The Salon features the neutrally stained Ashwood interior found throughout the yacht. The Salon has an L-Shaped leather couch with ottoman, which converts into a table for two. The headliner is accented with Halogen high-hat lighting and LED rope lighting around the perimeter.

The Salon has a recently upgraded Sony 44" LCD TV. Direct entrance on the starboard side middle of the Salon leads either down to the Engine Room door, Office, or the Master Stateroom. The forward dining table is to port with seating for four. New battery remote controlled blinds fore and aft bulkhead in Main Salon.

**Galley:**The Galley is forward in the Salon and features the preferred open bulkhead. There is abundant over/under counter cabinet storage. The Dinette is located to starboard and accommodates 5. The tabletop is dark granite, to match the granite in the Galley.

**Pilothouse:**The Pilothouse has full navigation electronics, a double captain's bench chair, cabinet storage, Vessel Power Management, and the staircase up to the Upper Helm and Flybridge. Staircase to the forward lower cabins is to starboard.

**Day Head:**The Day Head splits as the forward VIP Head, and has its own shower with lighted vanity, storage, toilet, and sink.

**Guest Staterooms:**The forward VIP Stateroom is in the forward Vee of the yacht. This stateroom features a Queen Centerline island berth, storage drawers and hanging locker, Halogen lighting, entertainment console, and overhead hatch. Adjacent to the Day Head to port is the Crew/second Guest cabin with upper/ lower bunks. The upper is hinged for headroom clearance when used as a single cabin. This cabin has its own en-suite head with shower, lighted vanity, storage, sink, and toilet. There is an over/under washer and dryer in the lower Companionway. The Generator Room is accessed via floor hatch and houses the air conditioning compressors, forward fire system and water supply components. Access to the midship VIP Stateroom is down the staircase aft. This stateroom features hanging storage, Halogen lighting, drawer storage, two single berths athwartship (which can combine to form a Queen berth), and its own large en-suite head with Jacuzzi tub and shower, lighted vanity, storage, and toilet. **Master Stateroom/Office:**The Owner's Office and Master Stateroom are both accessed from the Salon, and are privately located aft of the Engine Room, apart from the Guest Staterooms. The Office is fully capable with connections for computer, printer and fax. The Master Stateroom features a large centerline King berth with Halogen accent and reading lighting, as well as an abundant amount of drawer space and a walk-in cedar-lined closet. There is an entertainment console with Flatscreen LG 32" TV, Direct TV Receiver, Sony DVD Player and Apple TV.

This stateroom also features a large Head to starboard with lighted vanity, sink, granite top, toilet and a large walk-in shower.

**Flybridge:**Returning to the upper decks, the Flybridge is accessed by a staircase in the Pilothouse. The Flybridge features a full-width entertainment area with u-shaped seating and custom walkthrough to the Boat Deck.

There is a bar with a Corian top, refrigerator and icemaker. This yacht has a complete upper Helm with all controls and navigational electronics duplicated, and captain and

companion chairs. The Boat Deck features a 1500lb. Marquipt Davit aft and Life Raft mounted to port. There is a custom made varnished Dining table that can accommodate up to eight guests. **“Off Island”** burns approx. 22 gallons/hr. at 10 knots; at cruise speed of 20 knots, she burns about 85 gallons/hour.

---

## NARRATIVE WALKTHROUGH

---

The “Off Island” is a 74 Hatteras sport deck motor yacht, which Hatteras has the most significant brand recognition and this model is most iconic that Hatteras has ever built. The yacht has a great owner history and performs at great speed and also has a great efficiency when you prefer a slower speed.

The layout at every level utilizes the space available to its maximum potential. When you first board the “Off Island” you enter the main deck with a large pilothouse, you then move into the large galley with a dining salon. The galley is open to the salon and both have large windows.

The enlarged salon has a large round table for dining, large sofa and TV for all your entertainment and relaxation. You then move to one of the best parts of the boat, the aft deck, which has another large table with plenty of chairs for your friends and family to enjoy many evenings dining and relaxing looking out onto the water. Further is the reverse transom and swim platform, with large storage below the aft deck which provides direct water access for recreational activities.

From the salon, you will find the stairs that lead to the full beam master suite, which is a very large stateroom with king size berth, which includes forward of the master stateroom a possible fifth stateroom/and or office, which is the current configuration. The master stateroom also has ample storage and closets with a large en suite master head.

The other three spacious staterooms, which are all separated from the master, can be accessed from the pilothouse, two of which are en suite heads and the third stateroom shares the day head.

Truly the best part of the Hatteras 74 is the spaciousness of the flybridge, which has a full command bridge forward, with two captains chairs, and just behind is a bar and then two large L shaped settee lounges for entertaining in comfort with a custom walkthrough to the rear of the boat deck. The many features of the “Off Island” combined with the low engine hours make this an extremely great value in this marketplace.

---

## SALON

---
