SPECIFICATIONS

Overview

Sanlorenzo has channeled decades of experience into M/Y NANCE, combining signature styling with new innovations and an unparalleled level of customization by her experienced owner. The bulwarks have been cut to let the large side windows catch as much light as possible allowing you and your guests to enjoy a full sea view even sitting on the sofa of the salon. The space is wider than most comparable boats, has more light, yet it doesn't affect the typical Sanlorenzo sober line, rather releasing a new freshness.
