Accommodations

Entering the massive salon accented by lavish satin finished teak wood interior, to starboard features a custom built in U-shaped sofa with storage below. Across to port are two swivel occasional chairs along with a full teak storage unit that houses the entertainment center, pop-up TV, storage, and full electrical panel. Moving forward to starboard, is an oversized L-shaped dinette, complimented by a custom teak table. Across to port is the huge galley area, featuring a fantastic teak peninsula with beautiful granite and three bar stools. This area houses a wine chiller and custom stainless steel under counter refrigerator, freezer and dishwasher. Forward on the bulkhead galley is tremendous storage, full stainless steel sink, 4 burner stove, microwave convection oven, and ice maker. Moving down to starboard is the companionway area and directly to port is the crew area featuring two oversized berths with a full kitchenette area as well as a head and shower. This area can be entered by the engine room and cockpit for complete privacy. Moving forward to port features the 3/4 width beam massive master. This stateroom is wrapped in beautiful teak throughout with incredible amounts of storage and a full make-up vanity area for the utmost comfort. The master stateroom also houses a full tapered king berth with great storage underneath. The master head features beautiful stone work and ample storage along with a giant custom shower. Forward to port is a full guest head with access to a guest stateroom. This head area is cleverly designed for maximum storage and functionality. The guest stateroom is dressed with teak and oversized over/under berths. This stateroom has great storage and a very efficient layout. Moving forward, the bow area features the VIP stateroom. This is a very generous area complimented by an oversized queen berth, small custom sofa, and plentiful storage. The full head and shower is accented by rich marble and stone and great storage.
