# DETAILED INFORMATION

---

## Ferretti 800 HT 'Tommy II'

---

Elegant and spacious, are the two keywords for the Ferretti 800. This four cabin motoryacht includes besides the spacious full beam mastercabin, two VIP guest cabins and another guest cabin. Each cabin has its own en suite head. From the spacious salon with big windows you have a marvelous view over the sea. The galley in the Ferretti 800 has been placed directly forward of the raised helm in a practical 'U'-shape. Between the galley is a bar counter where two or three people can sit on stools and chat with the chef, or have snack. From the galley you can enter the two crew cabins at the bow. For night running the galley can be closed, as can be the dinette. At the flybridge there is a large dining area with a U-shaped table, grill area and fridge, whilst towards stern there is a large sundeck. The crane permits housing of the tender, for which there is a special space on the fly. At bow, on the left hand side, there is the external steering position, raised to guarantee better vision. This Ferretti 800 will be delivered with the hardtop including a sliding, electrically opened awning. Also the by Ferretti and Mitsubishi patented ARG (Anti Rolling Gyro) stabilizers have been added to the almost full list of options.

## Exclusions

---

Owner's personal belongings.

## Disclaimer

---
