

28R08 — OCEAN ALEXANDER

Builder: OCEAN ALEXANDER

Year Built: 2021

Model: Motor Yacht

Price: PRICE ON APPLICATION

Location: United States

LOA: 90' 2" (27.48m)

Beam: 22' 5" (6.83m)

Min Draft: 5' 8" (1.73m)

Max Draft: 5' 11" (1.80m)

Our experienced yacht broker, Andrey Shestakov, will help you choose and buy a yacht that best suits your needs **28R08 — OCEAN ALEXANDER** from **our catalogue**. Presently, at **Shestakov Yacht Sales Inc.**, we have a wide variety of yachts available on **our sale's list**. We also work in close contact with all the big **yacht manufacturers** from all over the world.

If you would like to buy a yacht **28R08 — OCEAN ALEXANDER** or would like help answering any questions concerning purchasing, selling or chartering a yacht, please call **+1(954)274-4435**

SPECIFICATIONS

Overview

Evan Marshall and his team took their extensive knowledge of Ocean Alexander and masterfully revolutionized our legacy. Introducing the 28r a yacht unlike anything we've ever built. Powerful engines. Unwavering safety. Luxurious spaces. Breathtaking views. They transformed everything without sacrificing anything. Prepare to blow everyone away at the dock with her sleek new design. The new full-width main deck expands living space without compromising the incredible performance and efficiency we're known for. Picture it: making your way from the massive on-deck master to grab a martini from the new wet-bar island in the salon. You take a deep breath, marveling at the near 360° view of the sunset coming through the massive floor-to-ceiling windows. Then, you sit back and gaze at the stars over the endless sea from the newly designed beach house. [Preliminary Specs](#) | [Sistership Photos](#)

Basic Information

Category: Motor Yacht

Model Year: 2021

Year Built: 2021

Country: United States

Dimensions

LOA: 90' 2" (27.48m)

Beam: 22' 5" (6.83m)

Min Draft: 5' 8" (1.73m)

Max Draft: 5' 11" (1.80m)

Speed, Capacities and Weight

Water Capacity: 450 Gallons

Holding Tank: 200 Gallons

Fuel Capacity: 3000 Gallons

Accommodations

Total Cabins: 4

Total Heads: 7

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: MAN

Model: 12V

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Construction

GENERAL:

- Vinylester resin with high-density structural foam. High density allows for high temperature resistivity and particular advantage in thermal and acoustic insulation. (Usually only found in vessels 100'+)
- Longitudinal and lateral fiberglass stringers filled with high- density foam
- Ocean Alexander employs various techniques to reduce sound and vibration. Focusing on providing a quiet and comfortable yachting environment through various proprietary techniques of controlling sound and noise transmission. Some of these techniques include, multiple insulation barriers including reflective materials, absorptive materials, dampening materials, air pockets and flexible and isolation mounts. Ultimately resulting in vibration/sounds levels that are industry leading and at times 1/2 to 1/10 of ISO-6954 requirements (Unique OA feature)
- Fiberglass with infusion lamination manufacturing technology
- Reinforced collision bulkhead
- Frameless window
- All exterior hardware to be S/S 316 or to manufacturer requirements
- Weather-tight bulkheads with further sound and temperature insulation
- Painted exterior surface with professional grade Alexseal polyurethane paint and epoxy-based primers. Highest gloss and color retention compared with gelcoat or other paint brands. Guarantee color match by Alexseal. No fading, yellowing and minimum maintenance with no annual compounded necessary on exterior paint. For first 3 years just use soap and water (Unique OA standard feature, not an optional upcharge like competitors).
- Marine grade aluminum beams for floors, walls and ceiling. Provides greater rigidity and monolithic structure. Reduces movements and “abrasive” sounds while underway. Also allows for one of the largest uninterrupted glass/window spans in the industry. (Unique OA feature)
- Use of cross-knit directional carbon fiber in high stress area for added structural integrity and torsional strength
- Engine Foundation: Main engine stringer/foundation will be constructed from S/S plates custom formed to encapsulate over engine structural stringers. Allows for industry leading high support, high level and isolation.

HULL / BOTTOM:

- Black boot top stripe
- Interior structural components all bonded to hull

- Three coats of Seahawk primer, hi-build epoxy barrier coat and covered with three coats of Seahawk self-polishing bottom paint (Unique OA feature, optional on competitors)
- Fiberglass rub rail w/ S/S striking plate
- Bronze through-hull fitting
- Hull painted with Alexseal metallic paint in lieu of standard
- Alexseal glossy white paint.

Mechanical

MAIN ENGINES:

- MAN®V12-1900HP engine includes 60-month warranty
- Add plug-in engine wired remote at aft deck and

Flybridge/skylounge

- Engine alarm system, for low oil pressure and high-water temperature
- S/S engine beds
- Delta-T Intake/ exhaust fans with demister to eliminate moisture
- from the intake air flow to keep machinery spaces dry
- Manually controlled adjustable/reversible Delta-T® fans for
- Engine exhaust located on superstructure instead of hull side. Maximizes water protection and salt spray, resulting in safer and lower maintenance ownership (Unique OA feature)
- Stabilizer with power take-off from both engines to provide redundancy (Unique OA feature)
- One control station: skylounge with complete engine instrumentation with modern switches.
- Ocean Alexander employs aerospace grade "autoclave" to make "hard coat" exhaust with AL-6XN alloys (used in Saturn V rocket nozzle). Ocean Alexander is unique in utilizing Military standards that ensures optimum and sustained performance in its exhaust system.)
- Engine raw water cooling using cupronickel 90.10 which offers superior corrosion resistance and inherent bio-antifouling. (Unique OA Standard Feature, usually found on 150'+ yachts)

STEERING / CONTROL:

- Hydraulic steering system
- Steering control station with complete instrumentation
- S/S rudders w/integrated zinc plates
- Dripless seal for rudder post
- High performance computer designed and machined Nibral propeller

- Interior steering wheel, Ultraleather wrap
- Maintenance free “dripless” seals for engine shaft packing glands
- Propeller shaft Aqua 22HS. 22HS is a high-grade austenitic alloy stainless steel that provides superior corrosion resistance (comparable to Aqua 22) along with excellent toughness and high strength (comparable with Aqua 17). A no-compromised approach adopted by navies around the world
- Mechanical helm seat x2
- GENERATOR:
 - Kohler® 40KW genset includes 2-year warranty (2x)
 - Generator exhausts to be water-drop type per “Centek”, “Marine Exhaust Co.” or equal. Reduces noise & vibration
 - Generator set resiliently mounted and installed with sound shield & vibration dampener (Unique OA feature)

WINDLASS / MOORING:

- Dual Hydraulic windlasses
- Dual S/S anchors 240 lbs. from hull sides w/ custom 300ft anchor chain (1/2" HT) & chain stoppers.
- Integral roller and chain stopper with anchor winch
- Two vertical electric rope winches for Aft Deck (Standard versus competitors' optional)
- Chain counter
- Hands-free anchor chain wash system – allows for cleaning of chain during anchor operation (Unique OA feature)

THRUSTER/ STABILIZER:

- SidePower hydraulic stabilizer w/zero speed system (DAME 2013 award Winning patented curved fin design) and SidePower 42.6 HP bow thruster and 20 HP stern thruster. Patented “curved” fin design not only provides lift underway it is also unique in the industry with active “predictive” inertia control. (will reduce speed by 1-2 knots)

OTHER:

- Stainless steel rails on side of engine and stainless-steel engine mounting plates (Unique Ocean Alexander engineering affords industry leading torsional rigidity and engine alignment assurance. Further reducing vibration and high torque pressures)
- Color-coded piping system for easy identification Hydraulic 1,500-lb swim platform Fire extinguisher system with engine-shutdown feature
- Sea Recovery 1400G/Day water maker w/auto fresh water flush operation, PH Neutralizer, UV sterilizer and Commercial Pre-filter (US Coast Guard 14-person unit, Standard versus competitors' optional)
- All engine room and bilge spaces shall be primed and top coated with polyurethane

paint system.

- Heavy-duty commercial grade pantograph windshield wipers & washers w/ intermittent function
- Detailed stringers in engine room & lazarette
- Ocean Alexander proprietary “dry bilge ventilation system” with dedicated bilge exhaust to outside. This provides constant airflow to keep the bilges dry and mildew free.
- Any moisture from condensation is evacuated outside the yacht to keep a clean and healthy cruising environment.
- Ocean Alexander design in oversized shafts, rudder and other drive train systems typically one-class larger than competition. Superior handling, longevity is ensured with Ocean Alexander drive-train systems.

Plumbing

FRESH WATER SYSTEM:

- 2mm thickness 316 S/S water tank w/ sight gauge
- Headhunter™ pressure fresh-water system
- Fresh-water outlet with hose for engines & generator
- Cold fresh-water wash down at bow, stern and flybridge
- Dockside water connection
- One 80-gallon water heater with high density fiberglass insulation w/ dual high efficiency heating element that speeds heating by 50%

FUEL SYSTEM:

- Sight gauges for all tanks
- 4.5mm thickness 5052 Aluminum fuel tanks with sight gauges and tested to International Standards 33CFR 510(a) w/ high and low fuel level alarm system
- Dual Racor® fuel/water separator with Y-valves for generator
- Gulfcoast™ Fuel polishing system based on US Military Abrahams-M1 Tank design (Standard versus competitors' optional)
- Dual MAN® fuel filter ·Fuel system with venting (Unique OA feature. Often ignored by competitors which can lead to high fines and insurance cancellation)

HOLDING TANK SYSTEM:

- Headhunter™ waste treatment system BILGE / DISCHARGE:
- Oversized drains to overboard
- Automatic bilge pump - The vessel shall be outfitted with automatic bilge pump with manual and automatic switches in each space as divided by weather-tight bulkheads. High water alarms will be mounted in each of these bilge zones
- High water bilge alarm at every Rule® bilge pump station

Electrical

AC / DC SYSTEM:

- AC outlets throughout
- All primary AC & DC electrical wiring is appropriately labeled throughout the yacht
- GFI (110V) AC outlet in potential “wet” areas. In addition, entire boat is dual protected via ELCI Octoplex breakers. (OA is unique in the industry to provide dual protection GFCI & ELCI)
- 24 Volt system
- Engine battery isolation switches
- AGM Batteries with 40oF to 140oF operating temp and industry leading low self-discharge rates 1 to 3% Octoplex NMEA 2000 Network electrical control systems
- Based on aerospace technology for remote activation, control and status reporting of AC and DC breakers. Monitors power sources (AC and DC) for voltage, frequency and amperage abnormalities and provide visual and audio alerts. Includes enhanced circuit breaker functionality with no-load indication, dimming usage information with touch screen monitor that is user reconfigurable. Brown-out configurable control through auto load shedding is included where operator designated equipment (e.g. navigation and other essential systems) remains powered-on while automatically switching other systems off. Octoplex NMEA 2000 Vessel system monitor system. Provides main access doors, tank level, bilge level and battery monitoring of current, voltage and temp. (Unique OA standard feature, not an optional upcharge like competitors)
- Shore power receptacle with Iso-Boost 2 x 100 AMP in transom w/cable master (OA is unique in making this a standard vs. optional. Cleans & boosts questionable shore power to better protect sensitive equipment onboard.)
- Heavy-duty batteries
- Battery paralleling system w/ control switch
- Service battery switch
- Bonding system throughout
- The vessel's bonding and grounding systems shall include copper straps secured to the hull and running the full length of the vessel parallel to centerline. Engines, generators, metallic through hulls, strainers, and pump bodies shall be connected to the bonding strap using 8 AWG wire minimum or equivalent

AIR CONDITIONING:

- Dometic® chilled water system air conditioning system, rated for “Extreme Tropical Climates” (with reverse cycle for operation down to 40°F water temp)
- Refrigerant type is accepted worldwide under the Montreal Protocols
- Dedicated engine room air conditioning
- Where possible A/C exits from custom made ceiling panels hidden from view. Shortens A/C ducting thus improving efficiency and speed of cooling by over 20%. Also reduces dB reading by over 7 dB (Design cues from 135)

LIGHTING:

- 24V LED lights (Aerospace quality, specially tuned color temperature for Ocean Alexander)
- Convenience lights ·International navigation lights ·High output LED underwater lights (three at stern-aft, two at each hull side)

GARMIN 24" NAVIGATION ELECTRONICS PACKAGE:

- Garmin 8600 Series Black Box with 24" Touch screen (Three screens bridge station)
- Garmin GRID remote input device installed on helm chair
- Garmin 25KW Open Array Radar ·Garmin Autopilot GHC20 ·Garmin VHF and Card Reader
- Garmin Blackbox sounder ·Garmin AIS with NMEA GPS ·Garmin Marine Camera (2 in engine room and 1 aft deck) ·TV6 with DIRECTV® receivers ·Ritchie Compass 5" ·iPad with built-in Garmin App for navigational control/viewing via iPad ·Navigational electronics standard versus optional with competitors

OTHER:

- Vimar™ switches and outlets
- Panasonic Intercom System – includes Panasonic phone system and Digital Panasonic Phones for MSR, Guest Staterooms,

Crew, Salon, Galley, Skylounge

- Onboard intranet, driven by commercial-grade 4G SIM card capable Wi-Fi router. Allows outside 4G Internet card and/or internal intranet net connection via supplied iPad to Systems monitoring, Garmin and other onboard equipment apps

Global Power Converter "Preparation" Package

- Prepare for 50/60 Hz Power Converter with stand and pre-wire
- Prepare for installation of electrical transformer that allows for automatic marina connection irrespective of 110V/60 Hz (USA) or 220-240V/50 Hz (European) standards.
- Prepare for true global yachting and global resale capability

N2KVIEW SAFETY & SECURITY MONITORING PKG:

- These security/safety automatic monitoring and alert abilities include using Apple iPad or Android for wireless access to operate, view, and alarm Octoplex data and navigation system with a fully customizable screen layout, and remote notification (cell phone) capability.

- These monitoring abilities include: Main Engines and Generators, AC Monitoring, DC House Bank Battery Monitoring, Engine Room Weather-tight Bulkhead Doors, Tank Levels, Fire System, Bilge Level (High-water), Exterior Door Sensors
- Unique OA standard feature, not an optional upcharge like competitors

Inverter Package:

- Upgrade 100 AMP charger to inverter/charger (5000W/120AMP)
- Allowing for “silent night/no generator inverting from DC Batteries to AC circuits (refrigeration, water pumps, select AC outlets
- Blue-Power full function programmable controller

Accommodations/Interior, Audio/Video

ENTERTAINMENT SYSTEM:

- Includes Apple TV in Salon, MSR, Galley, Skylounge, VIP, Guest staterooms, and Crew
- Includes the following equipment installed at factory
- Salon: LED 50” TV with A/V System with subwoofer
- MSR: LED 40” TV with A/V System
- Skylounge: LED 50” TV with A/V System with subwoofer
- VIP: LED 40” TV with Satellite Receiver
- Guest: LED 32” TV with Satellite Receiver
- Crew: LED 24” TV with Satellite Receiver
- Captain’s: LED 32” TV with Satellite Receiver
- Beach Club: LED 40” TV with Satellite Receiver
- MASTER STATEROOM:
- King-sized berth (with independently coiled his & her sections to ensure minimal transfer of movement. Unique Ocean Alexander Feature)
- Two nightstands with stone countertops
- Hidden safe in hanging locker
- Walk-in closet on Port & STBD sides
- Cedar-lined, twin full-height hanging locker with automatic lighting

SKYLOUNGE:

- Cabinet including wet bar, fridge & ice maker w/ solid panel door and storage
- Wood valance board
- Wood desk
- Settee with table
- Chart locker SALON:
- Wood paneling and cabinetry
- Evan K Marshall custom design salon furniture and sofa.
- Stone countertop at wet bar and dining room divider cabinet

- Custom designed window mullion
- Decorative ceiling treatment
- Enlarged windows in salon with custom engineered solution incorporation marine grade aluminum beams allowing for industry leading window expanse. Incorporate (where possible) A/C outlet from ceiling, provides unobstructed view to outside (Design cues from 135)
- Cabinet including wet bar, fridge & ice maker
- Custom stone floor in dining

CREW QUARTERS:

- Hanging locker with automatic lighting
- Kitchenette (sink, microwave, cooktop and refrigerator w/icemaker)
- Storage locker
- Captain quarters includes N2KView linked Apple Ipad for systems diagnostics/alerts/settings and full height hanging closet
- Additional commercial grade/capacity washer and dryer in crew

GUEST STATEROOMS:

- Single berths · Wood paneling and cabinetry
- Drawers under berth
- Cedar-lined hanging locker with automatic lighting
- Guest stateroom side-by-side conversion berths

BEACH CLUB:

- LED 40" TV with Satellite Receiver
- Settee w/ table
- Cabinet including wet bar, fridge, and ice maker
- Dedicated air conditioning
- Hydraulic flip-up transom to swim platform

INTERIOR DECOR:

Interior style: Beryllium

Interior wood selection: Walnut, Oak and Ebony

Wood paneling and cabinetry

Interior ceiling panels removable

- Evan Marshall designed interior pilot station and display pod. With matching

wood/Ultraleather and “floating” display pod. Ergonomically designed and laid out to enhance pilot experience/performance. (Design cues from 135)

- Carbon monoxide and smoke detectors
- Air extraction in each head shall be by low noise extraction fans, switched separately from lights
- High quality European door locks
- Cedar-lined, hanging locker with auto lighting
- Fabric covered walls for lower walkway walls
- Concealed hinges throughout interior cabinets
- Ergonomically designed mattresses and settees
- Washer/ dryer in lower foyer
- Refrigerator in lower foyer
- Port/Star staterooms side-by-side berths can slide together and convert to single queen berth.
- USB power plug at skylounge and MSR
- Electric Shades with remote control for Salon (excluding dayhead), and master and Skylounge, windows
- Salon and Skylounge custom wood flooring in lieu of carpet

GALLEY:

- Wood panel and cabinetry with positive-latch doors or proprietary drop-lock drawers. Provides containment of stored objects while underway (Std. feature often ignore by competitor)
- Galley storage cabinetry w/hidden hinges
- Stone countertops
- Franke™ professional series kitchen sink w/ pull out tap
- Exhaust blower
- Overhead dish locker fwd & STBD
- 30” Bosch™ electric cook top
- 30” Bosch™ electric oven
- Fisher & Pakyel® Refrigerator w/ice maker
- U-Line® wine cooler
- Whirlpool™ garbage disposal
- 30" Thermador™ Over-the Range Microwave with exhaust blower
- Asko™ dishwasher
- 15” Jenn-Air™ trash compactor
- Custom stone floor in galley HEADS:
- Wood paneling and cabinetry
- Stone countertops with china sink
- Seamless fiberglass stall shower w/ one-piece glass door. Industry leading seamless one-piece shower stall design provides long term protection against

moisture, water intrusion behind the shower panels - leading to foul odors and water damage (Unique OA feature)

- Shower door shall use “crystal clear” glass custom made for Ocean Alexander. Providing superior transparency and reflectiveness. Together with custom made for Ocean Alexander “minimalist and transparent water strips” provides a unique Ocean Alexander proprietary “Crystal Shower”
- Cabinet with mirror door above sink
- Air extraction in each head shall be by low noise extraction fans
- Tecma™ toilet system throughout with unique Ocean Alexander proprietary “Toilet lock out” system. Provides “lock out” of flushing when holding tank is full. Prevents accidental spillage or “blow back” often found on competitor yachts. Tankage status and alarm is standard via N2KView monitoring system.
- Custom bathroom fixtures
- Stone countertops and back splash in heads with china sink
- Heated stone floor in Master bathroom

EXTERIOR:

- Hardtop with dedicated custom S/S ladder to navigational electronics (Standard versus optional with competitors)
- 2” elliptical 316L Stainless steel handrails & stanchions, main deck 1-1/2” on FB. Elliptical conforms better to human grip than traditional round rails. Provides greater “grip strength” for safety and comfort (Unique OA feature)
- 316 stainless-steel cleats
- Elec. stainless-steel sliding doors for salon and skylounge with safety light curtain that senses obstruction and protect for grandkids/pets. Also includes “foot-kick button” control for operation when both hands with full food trays/other items.
- 24” Electri-Chef™ electric barbecue custom-made for OA using 316 S/S, versus competitors’ 304 materials.
- Fiberglass stairway up to Flybridge from cockpit w/teak steps
- High bulwark w/ flush-mounted deck lights
- Side boarding gates in cockpit
- Sunpad and settee at bow
- Exterior ceiling panels removable
- Custom designed fender storage at foredeck
- In-glass portlight for Master Stateroom & twin guest staterooms
- 4-person lighted Jacuzzi w/ custom fiberglass enclosure on FB
- Manual awning for Flybridge with custom-made stainless-steel poles and marine-grade exterior Ferrari mesh fabric “Soltis Horizon 86 white”. Includes custom designed built-in storage for poles.
- Manual awning for Bow with custom-made stainless-steel poles and marine-grade exterior Ferrari mesh fabric “Soltis Horizon 86 white”. Includes custom designed storage for poles

- Spare Parts package (Spare: Bilge pump, Pencil Zinc, Engine/ Generator filter, Wiper blades, Touch up paint, Fuses, Engine manuf. Spare parts kit, Generator manuf. spare parts kit, Breakers, Sump pump box, Float switch, Hydraulic gas-strut, Vimar outlet, GFI outlet, Vimar switch)
- Custom exterior protection canvas and windshield mesh cover for exterior seating and BBQ
- Francis Voyager 2 light and spreader lights for swim step and FB deck
- Recessed boarding ladder on starboard gunnel with OA logo teak steps
- Aft-deck custom ceiling feature
- S/S transom gates for pets/children protection from Aft-deck to swimstep
- FB flip-up hatch
- 40" Flip down from ceiling TV with Satellite Receiver Includes additional exterior speakers for full stereo effect on Aft Skylounge
- 40" Flip down from ceiling TV with Satellite Receiver Includes additional exterior speakers for full stereo effect on Aft-deck
- Compressed air in engine room and aft deck
- Automatic robot exterior glass cleaner w/ spare parts
- Exterior furniture for FB
- Custom bow projector w/ screen
- Outdoor Beach Club with "swing up" transom.
- Provides cover/shade for Beach Club.

TEAK DECKING PACKAGE:

- Main deck (aft deck to midship first step)
- Steps from aft deck to flybridge
- Swimstep teak
- Steps from swimstep to aft deck
- Flybridge deck

TURN KEY :

- Safety first aid kit
- Fenders, lines, flare kit, throw ring, fire extinguishers, bell
- Wheel Puller for ship propellers
- Life raft
- 2 sets of bed linens on all berths with pillows and towels
- Dinner china including dinner/salad/dessert plates, soup bowls, tea cup and saucers, casserole dish, salt & pepper shakers
- Flatware including steak knife, dinner knife, fork, spoon and dessert/teaspoon, salad forks, serving spoons & fork

- Table placemats, napkins, water/white/red/champagne wine glasses
- Galley cookware/pans.
- Toaster, electric mixer, measuring cup, rubber/metal/ plastic spatulas, mixing bowls
- Chef knives, cutting boards, coffee machine, iron VESSEL SUPPORT (Unique OA Standard feature)
- Orientation: Prior to deliver, the owner and/or captain is provided with dockside orientation on the operation of vessel systems by Ocean Alexander personnel.
- Customer Support: OA customer support is on-call 24/7 to support owner and crew.

Disclaimer

Exclusions:

All personal property is excluded unless specifically identified and included in the sale agreement and listing specifications. Personal property refers to all items not permanently attached to the vessel including but not limited to: artwork, furnishings, and recreational or entertainment items. Advertisements, marketing materials, and/or other photography may depict the vessel with personal property, however, such personal property is excluded unless otherwise specifically included as provided herein.

Disclaimer:

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Exclusions

Owner's personal belongings.
