SPECIFICATIONS

Overview

Look no further if you are looking for a clean and well equipped turn key hardtop diesel cruiser with a well maintained low hour (1200hrs)Yanmar engine. Joyride's equipment includes a Side Power bow thruster, Next Gen generator, Marine Air reverse cycle heat/air, electric windlass and Weaver davits. New in 2019 were Garmin GPS/Radar, Autopilot, Cockpit Cushions, Convection Oven, Canvas and hoses.

She has the desirable factory installed hard top, which adds to her good looks and downeast styling. In addition, there is a bimini off the aft end of the hard top, supported by a beefy stainless steel frame that provides protection in the cockpit from sun and rain, expanding outdoor comfort. Her single Yanmar 370HP engine in the spacious engine room is easily accessed by way of a large hatch with gas assists. Her interior is user friendly and sleeps 2 in the cabin and 2 more in the enclosed hardtop wheelhouse.

She is a beautiful hardtop Downeast Cruiser that is ready to cruise with all the options. Why buy new?

New customers should ask to see if they qualify for a 50% discount for a year's slip and winter storage at an upscale RI Marina and remember that there is no sales or use tax on vessels berthed in Rhode Island.

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 6LY2-STE

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Accommodations

The private stateroom is forward and has a large v berth with an insert, and ample storage. Overhead is an oversized hatch, and additional ventilation is provided by opening ports when the air conditioning is not in use. A full length mirror is mounted on the solid stateroom door. Aft to port is the fully equipped galley, and aft of the galley at the foot of the companionway is the head and shower. Opposite the galley and head is a generous u-shaped dinette, which converts to a double berth. Three opening ports provide plenty of light in the main cabin area. The interior features cherry bulkheads and trim, a teak and holly sole, a teak dining table, beige Ultraleather dinette cushions, stereo and speakers, an LCD Toshiba flatscreen TV/DVD on a swivel located in a bulkhead opening between the galley and stateroom, and air conditioning throughout. All opening ports have screens. Lockers have lights.

Up on the helmdeck are the helmsman's bench seat, which has storage below, and the companion bench seat opposite, under which is a U-Line icemaker. Aft of each are settees running fore and aft with locker storage beneath. There is an insulated draining locker to port at the aft end of the bench settee that serves nicely as an ice chest for drinks and sodas. The side windows have eisenglass inserts that zip open and roll up to provide maximum ventilation. The two windows on each side of the front also hinge open. The aft curtain is removed most of the time because the extended bimini off the back protects not only the cockpit, but the helm deck as well, which results in a very comfortable helm deck at the slip or anchorage. Two stereo speakers are at the aft ends of the helm deck. There is a hot/cold shower, fresh water inlet, and fresh water spigot in the cockpit. The transom door leads to the swim platform. Custom lifting hardware makes raising and lowering and engine a snap.

Galley and Head

The fully equipped galley has:

2 burner Princess electric cooktop
Black and Decker built-in coffee maker
Convection/Microwave Oven
Norcold Refrigerator w/freezer compartment
Double stainless steel sinks
