## Overview

---

The Albemarle 305 Express is based on the Carolina Style Sport Fisherman. She is a Tournament capable Sport Fish with a deep V entry and 18 degree dead rise at the transom. Her design offers a great ride and excellent handling capabilities for offshore. There is a huge cockpit, tuna tower, in-deck fish boxes, transom door, live wells, rod holders and outriggers for a complete package. All this coupled with her Twin Caterpillar 3126 300HP Dsl engines, makes her an excellent boat for the avid fisherman or family of 4. We have priced her competitively against the others on the market.
