SPECIFICATIONS

Overview

Priced to sell now, she is in the water and an exceptional value due to the owner's recent new boat delivery. She is in excellent condition mechanically, has detailed maintenance records, and is in sail away condition. Just listed 10/27/18 when these photos were taken.....she won't last long at this price.

The Catalina 30 remains extremely popular with cruisers, due to its wide and deep hull creating exceptional volume above and below decks and for its stability under sail. This is a great coastal cruiser or weekender.

Please see below and full specs for additional information and photos.

Additional Specs, Equipment and Information:

Builder/Designer

Builder: Catalina Designer: Butler
