## DETAILED INFORMATION

### Better than new!! Only 35hours :)

-FULLY LOADED with comprehensive option list, as displayed in Cannes Yachting Festival 2019- Delivered in December, all warranty and services have already been carried out by Azimut.-Never used by the owner, international flag - better than newAzimut S7 has been designed and engineered according to the highest standards applied in the recreational industry for production boats. Thanks to CE Category A and NMMA Certification the boat is in compliance with the two major safety codes for boat below 24 metersIntegrated Control PanelThe integrated control system by Raymarine has been customised to increase control potential: from engine data and alarms, to bilge and water discharge pumps, tank levels and engine room ventilation, right through to the sound system and the air conditioning units. The system can be accessed from both helm stations and remotely from a tablet.Auto balance systemThe system automatically transfers the diesel fuel from tank to tank, ensuring that the heel angle is kept close to zero in the case of variable load distribution and refuelling.Joystick drivingJoystick Driving offers an easy way to maneuver with precision and at the same time it allows the driver to steer comfortably at all speeds with only one hand. When Joystick Driving is activated, the Autopilot turns on simultaneously. The driver steers the boat by moving the Joystick. When the Joystick is released, the Autopilot is engaged and keeps a forward course.Active Trim ControlInterceptor technology provides a smooth, precise Auto mode that automatically takes care of all trim adjustments. It delivers trouble-free handling and a system without corrosion or leaking oil.Triple IPS propulsionTriple Volvo IPS propulsion system installed on hydrodynamic optimized hull shapeSuperior manoeuverabilityMinimum noise and vibration levelBest fuel efficiency (up to 25% reduction compared to shaft line)Carbon-tech generationThe use of carbon fibre is a construction choice that allows volumes and surfaces to be increased in size while keeping the same weight, therefore maintaining excellent levels of dynamic stability.Azimut S7The only yacht in its segment with four spacious cabins, beach platform expander and garage for tender and jet ski.Diamond-shaped windowsUnprecedented diamond-shaped deckhouse windows, in a solution that gives the boat personality, while promising to amaze with its plays on reflected light.Carbon Game ChangerCarbon fiber and three Volvo IPS engines for unprecedented size and performance, plus the best fuel efficiency on the market.
