SPECIFICATIONS

Overview

This CABO 41 is a durable fishing machine that gives anglers the confidence to fish longer, with her extensive refrigeration, tackle storage, deep-V hull and flared bow for true offshore performance.

She is equipped with the Volvo D11 670 HP engine package and can cruise at 30 knots, burning only 50 gallons per hour, with a 300 Nm range. Top end on this boat is 36 knots. Built at the Hatteras factory in North Carolina, this 41 Cabo has the build quality that is expected from that facility. Her ride is solid and soft and she is set up to fish the grounds of the Bahamas and make it back on the rough days.

NOTABLE OPTIONS

- Upgraded 670 HP Volvo D11 with straight shafts
- Helm Deck A/C
- Custom hardtop by Pipe-welders
