SPECIFICATIONS

Overview

Price reduced, ready to fish or cruise and in nice condition. Includes summer 2019 slip and discount for 2020.

The Shamrock 260 Express has a spacious cabin with a double berth which converts to a dinette with a pedestal table. The galley has the essentials - sink, stove, and refrigerator. The cabin entry has convenient steps with storage compartment beneath. New EFI system, heads and valves.

The 260's enclosed head compartment has an opening port window and marine toilet. The cockpit and raised bridge deck are a perfect combination for casual cruising and serious fishing!

The spacious cockpit is wide open with padded bolsters along 3-sides. Radar arch mounted rocket launchers, (4) gunwale rod holders, and under gunwale rod storage. A big, circulating baitwell and bait prep station with washdown makes rigging quick and convenient.

The 260 Express has Shamrock's patented KeelDrive power system. A fully integrated, full-length keel protects the bottom, prop, and rudder. The result is an inboard-powered boat that can beach or run shallow without a worry. The keel also enhances the boat's overall stability and tracking, and makes it predictable and seaworthy in heavy seas.

Electronics include;

- Furuno Navnet GPS/Chartplotter/Radar
- Garmin 2006C GPS Chartplotter
- Standard/Horizon VHF
- Clarion marine stereo
