## Overview

---

Sky is a fantastic example of Sunseeker's popular Manhattan 63 model. Sky has had just one owner since new and has been extremely well maintained. The yacht is offered for sale in excellent condition and with low engine hours, having only ever been used privately.

Sky has a four-cabin configuration for the accommodation of eight guests, with the layout comprising a luxurious full-beam master suite, a VIP cabin and two twin cabins. All of the accommodation is ensuite and located on the lower deck.

Other interior living spaces aboard Sky include a saloon lounge with separate dining area and a well-equipped galley on the main deck, where there's also a helm station.

Sky's interior scheme has a contemporary style with matching veneers, flooring and smart leather detailing.

To aft on the main deck, there's an outdoor entertainment area with shaded seating and steps leading up to the yacht's flybridge. The flybridge itself is spacious and hosts an expanse of cushioned sun pads as well as on-deck galley and bar facilities, and a helm station forwards. Sky has additional space for relaxing on the bow.

One of the most notable features aboard this 21m motor yacht is the hydraulic swim platform. Raised or lowered at the touch of a button, this platform permits easy access to and from the water and creates an innovative terrace at the water's edge.

Sky's exterior profile features Sunseeker's award-winning styling, and her striking black hull with white superstructure distinguish her from similarly sized vessels.

This is an ideal yacht for family cruising or weekend charters, with relaxed and versatile living spaces that are perfect for socialising.
