SPECIFICATIONS

Overview

The Catalina 320 is a design that combines nice features with comfort and value and performs well in a variety of conditions. She has a large cockpit, wide coamings and seats and wide weather decks. Her air-conditioned/heated spaces below include a forward V-berth with filler and an aft owner's cabin with an athwartship double berth, hanging locker and bureau, a starboard side U-shaped convertible settee and table, port side settee and a port side, nicely equipped, galley and a starboard side head aft of the salon. The interior is finished in a combination of teak, ash and maple hardwoods. She has custom molded galley counters with integral backsplashes, three separate lighting circuits in the main cabin, removable panels in the forward bulkhead and a cedar paneled hanging locker. Her auxiliary power is a 2013 Beta 25 marine diesel engine with 260 hours. Check out the Full Specs and call to arrange for a showing.
