SPECIFICATIONS

Overview

Buccaneer is great for family daysailing and coastal cruising. Between 1983 and 1986, Pearson Yachts in Portsmouth, Rhode Island, churned out over 300 of these compact but roomy masthead sloops. She has a "big boat feel" that defies her 30-foot length. The 10-foot beam allows sleeping quarters for five, a small galley, comfortable dining area, and adequate privacy. For sleeping arrangements, there's a quarter berth aft while the settees in the saloon count as two single-berths. The master cabin forward has a generous V-berth for two with small bureau, hanging locker and cubbies. The head, located to starboard and forward of the saloon, is roomy enough so as not to feel cramped when using the handheld shower hose and nozzle. Four large portholes allow in plenty of natural light, enhanced by deck hatches for both illumination and ventilation. She features a teak-and-holly sole and carries 38 gallons of freshwater. Headroom throughout is 6 feet 3 inches. Check out the Full Specs and call for an appointment to see her.

Basic Information

Category: Cruising Sailboat

Sub Category: Daysailer
