Seagull Water Filter with Separate Faucet (2018)

Microwave Oven (2015)

Force 10 3- burner Propane Stove and Oven

The redesigned Beneteau 473 combines extraordinary interior comfort, volume, and light with bluewater strength. Designed by Groupe Finot, this design offers a unique combination of elegant lines with extraordinary space and performance. In this 2-cabin version, the galley runs along the starboard hull from the base of the stairs to the aft bulkhead. The galley is L-shaped and provides plenty of work space as well as good ventilation. Through the bulkhead at the rear of the galley is a door that leads into the cockpit locker and which can serve as extra storage space. Forward of

the galley is the U-shaped dinette with a bench amidships. The table lowers to form a double berth. Across from the dinette is a straight settee, aft of which is the substantial, forward facing, nav station. Behind the Nav station is the head which can be accessed from the salon or from the aft cabin, which lies through a door in the aft bulkhead. The forward/master cabin has plentiful storage, light and airflow and a queen-sized bunk which can be accessed from the foot at either side. The forward head has a separate shower.
