Speed, Capacities and Weight

Water Capacity: 65 Gallons

Fuel Capacity: 48 Gallons

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Construction

At the heart of the X4 is the galvanised steel keel grillage structure. Pioneered by X-Yachts back in 1981, the galvanised steel hull girder offers superb reassurance and safety. Its primary role is to spread keel and mast loads into the hull and it also enables the yacht to withstand extreme shock loads from grounding or an impact with a submerged object.

Not only is the keel structure immensely strong, it is also reliable and very easy to inspect for potential damage.

Bolted to the steel grillage is the keel with iron fin and heavy lead bulb with moderate draft. There is both a shallow and a deep draft option available.

Deck and Hull

The standard deck layout comes with: 4 winches, two halyards, self-tacker sheet and control line winches next to the entrance, and two main sheet winches aft of the cockpit's backrest coamings within reach of the helmsman. The deck has an integrated recessed self-tacker track for an 88% jib.

There is an option for coach roof top longitudinal Genoa tracks and two dedicated Genoa sheet winches on top of the cockpit backrest coamings, enabling the Genoa size to go up to 106% for improved light wind performance.

Craftsmanship

The interior of the X4 is designed to maximize the space available, creating a functional, safe and stylish user experience below deck. Once again, the interior design will have Danish design flair and carpentry at its very best.

The craftsmanship and detailing will be of a very high standard, being both traditional but with a modern appearance. The wooden veneer will be Nordic Oak as standard, with other options on offer.

Accommodations

The two cabin layout has a head compartment with separate shower compartment and features a forward-facing navigation station with full length sofa.

The three cabin layout has an innovative aft facing chart table that can be neatly stowed out of

the way when not in use. The three cabin layout is available from Spring 2020.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
