ХАРАКТЕРИСТИКИ

Основная информация

Тип судна: Гоночная яхта

Подкатегория: Cruising/Racing Sailboat

Модельный год: 2020

Год постройки: 2020

Страна: United States

Размеры

Длина общая: 39' 11" (12.17m)

Длина по ватерлинии: 34' 0" (10.36m)

Ширина: 12' 2" (3.71m)

Мин. осадка: 6' 11" (2.11m)

Макс. осадка: 7' 10" (2.39m)

Скорость, вместимость и масса

Вместимость воды: 69 Gallons

Объем топливного бака: 40 Gallons

Размещение

Всего кают: 3

Корпус и палуба

Материал корпуса: Fiberglass

Информация о двигателе

Двигатели: 1

Производитель: Yanmar

ПОДРОБНОЕ ОПИСАНИЕ

Exterior

Deck-recessed halyards and control lines, flush deck hatches and port-lights create a clutter-free and aesthetically appealing deck layout. Design details include an optional folding table concealed within the cockpit sole, with dedicated storage for all the essentials – even the washboards. The twin composite wheels are offered with a range of pedestal choices, including compass and instrument mounts, together with optional electric or high-powered manual winches. As with all the Xp models, the composite keel features a lead bulb and cast iron fin, precision moulded and encapsulated in a vacuum infused GRP layer for a perfect, hydrodynamic finish. Through hull fittings are also recessed to reduce underwater drag, together with a faired 'S-drive' engine strut.

Innovative Bowsprit

The Xp models were conceived as true dual-purpose yachts. The guiding principle is that the Xp 38 should be highly competitive when sailed with a full crew and also easily handled by a couple or family. It should be optimised for racing under major handicap rating systems, but equally suited to a relaxed weekend cruise or a longer blue-water passage. Key to this adaptability is the multi-functional bowsprit, which offers four variations. The standard fixture is a GRP cowl with integrated anchor fitting. This allows for asymmetric 'Code' sails and similar to be flown from a fixed tack point, whilst ensuring the steel anchor roller with electric windlass are easily accessible. Two other popular options are a carbon bowsprit in either white painted finish or clearcoat black, with the additional option of an integrated anchor fitting. The sprit enables a full sail wardrobe of asymmetric spinnakers and reaching Code Zeros to be carried, particularly when racing under IRC. The anchor fitting is neatly concealed under the sprit. A fourth option of a plain GRP cowl is offered, particularly for boats which may race under ORC. In addition to all of the above, a symmetric spinnaker pole can be carried for further flexibility.

Interior

The Xp 38 interior combines innovation with classic comfort and style. The Xp 38 interior is available in both three and two cabin layout versions, which both benefit from exemplary use of light and space. The Xperformance range's innovative sliding chart table allows the navigator to be seated either forward or aft-facing, or for the chart table to be slid aft to increase the side berth seating. There is also a fixed chart table option which includes additional storage drawers, with both featuring an easily accessible electronics control panel and deep bookshelves above. The saloon table also incorporates concealed storage, either drawers or bottle storage, and neatly folds away to facilitate crew movement whilst sailing. The secure galley is moulded in one piece for minimal weight, and is arranged in an L-shaped configuration for safe working at sea. A gimballed two-jet gas cooker and cool box are fitted as standard. Options include a three-jet

cooker with oven and grill, 65-litre fridge and microwave oven.

Interior Layout Options

Three Cabin Layout

The Xp 38 standard layout offers three comfortable double cabins providing ample accommodation for friends, family or crew. It features the unique and innovative Xperformance sliding chart table, which provides flexible seating in the spacious saloon, accommodating both a secure forward-facing navigation station whilst underway and additional sofa seating for comfortable entertaining when in port. The three cabin layout is also offered with a fixed aft facing navigation station with drawer storage beneath. Other options include spacious freeboard shelves or pipe cots in the symmetrical aft cabins.

Two Cabin Layout

The Xp 38 is also offered with a spacious two cabin layout option. This interior comes fitted with a forward-facing fixed navigation station as standard. Beneath the chart table there is also ample storage with drawers including a dedicated tool compartment for easy access, as well as deep bookshelves above. There is also a roomy heads aft, featuring a shower stall with seat, and a capacious cockpit locker for ample storage, accessible from the cockpit. The aft port cabin also has the option of pipecots or freeboard shelving.

Исключения

При продаже яхты исключаются личные вещи владельца.

Отказ от ответственности

Компания предоставляет описание судна или яхты добросовестно, но не может гарантировать точность этой информации, а также не ручается за техническое состояние. Покупатель должен проинструктировать своих агентов или оценщиков исследовать представленную информацию более подробно, по собственному желанию. Продажа судна или яхты, изменение цены или снятие с продажи будет происходить без предварительного уведомления.
