Speed, Capacities and Weight

Water Capacity: 145 Gallons

Fuel Capacity: 79 Gallons

Accommodations

Total Cabins: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

DETAILED INFORMATION

Exterior

Form meets function with the Xp 50 deck layout, which balances clean lines and minimalist style, with usability, safety and security. Attractive teak decking is fitted as standard, with the option to extend the teak to include side decks and coach roof. The stylish finish is complemented by concealed passages for halyards, sheets and trim lines, together with flush fittings and details such as the folding Nomen mooring cleats. Ergonomics for both cruising and racing have been carefully considered, with the centre console functioning as a handy foot chock for crew sitting on the cockpit benches, whilst the width of the bulwark varies along the length of the yacht to improve the comfort of a 'hiking' race crew and ensure aesthetically pleasing lines.

Innovative Bowsprit

The Xp models were conceived as true dual-purpose yachts. The guiding principle is that the Xp 50 should be highly competitive when sailed with a full crew and also easily handled by a couple or family. It should be optimised for racing under major handicap rating systems, but equally suited to a relaxed weekend cruise or a longer blue-water passage. Key to this adaptability is the multi-functional bowsprit, which offers four variations. The standard fixture is a GRP cowl with integrated anchor fitting. This allows for asymmetric 'Code' sails and similar to be flown from a fixed tack point, whilst ensuring the steel anchor roller with electric windlass are easily accessible. Two other popular options are a carbon bowsprit in either white painted finish or clearcoat black, with the additional option of an integrated anchor fitting. The sprit enables a full sail wardrobe of asymmetric spinnakers and reaching Code Zeros to be carried, particularly when racing under IRC. The anchor fitting is neatly concealed under the sprit. A fourth option of a plain GRP cowl is offered, particularly for boats which may race under ORC. In addition to all of the above, a symmetric spinnaker pole can be carried for further flexibility.

Interior

The Xp 50 interior is available in a three cabin layout with twin shower and single shower options, which both benefit from exemplary use of light and space. The innovative Xperformance sliding chart table allows the navigator to be seated either forward or aft-facing, or for the chart table to be slid aft to increase the side berth seating. There is also a fixed chart table option which includes additional storage drawers, with both featuring an easily accessible electronics control panel and deep bookshelves above.

The secure galley is moulded in one piece for minimal weight, and is arranged in an indented 'U' configuration for safe working at sea. A gimballed three-jet gas cooker and cool box are fitted as standard. Options include an 85-litre front-opening fridge and microwave oven. The comfortable saloon includes ample seating in a sociable 'U' shape, while the saloon table also incorporates

concealed bottle storage.

Interior Layout Options

Aft-facing Chart Table

The Xp 50 interior is available in a three cabin layout with twin shower layout. The innovative Xperformance sliding chart table allows the navigator to be seated either forward or aft-facing, or for the charttable to be slid aft to increase the side berth seating. Chart table area features an easily accessible electronics control panel and deep bookshelves above. The secure galley is arranged in an indented 'U' configuration for safe working at sea. A gimballed three-jet gas cooker and cool box are fitted as standard. Options include an 85-litre front-opening fridge and microwave oven. The comfortable saloon includes ample seating in a sociable 'U' shape, while the saloon table also incorporates concealed bottle storage.

Forward-facing Chart Table

The single shower optional layout creates a more spacious saloon but still has the convenience of an aft heads, together with a fixed chart table, ideal for entertaining. The Xp 50 offers an exceptionally generous owners' cabin forward with ample storage in two large wardrobes. Symmetrical aft cabins each feature double bunks and hanging lockers, with optional shelves or pipe cots available at the freeboard.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
