## Overview

---

Odyssea is easy to view and ready to be seen at our Stirling Harbor Marina in Greenport, NY. She is loaded with all the options an owner could dream of including a SeaKeeper system, a Crestron media system throughout, Yacht controller, GhostMarine Magellan Alarm System. You now have the opportunity to own this yacht along with an expansive list of amenities for a fraction of the cost of new. The interior is warm & inviting, while still exhibiting the Italian stylishness for which Azimuts are well known. Her full-beam master stateroom and her two additional oversized guest cabins will have you convinced that she must be at least seventy feet. Combine this with her more than ample exterior spaces her flybridge alone comfortably seats eight guests and it is easy to see why Azimut 62s are rarely on the market for long. Please check out the Full Specs and call to arrange a private showing.

# DETAILED INFORMATION

---

## Accommodations

Designing for maximum light was one of the primary goals for the designers of the Azimut Evolution and Odyssea unquestionably delivers on this front. Broad windows, skillfully integrated into the hull's design, allow light to illuminate all three staterooms below deck. The spacious, well-appointed interior layout is far superior to any yacht in its class. As you walk through the Salon, you will find spacious seating for the whole family! The galley is masterfully integrated into the dining area, giving Odyssea yet another area for entertaining. Continuing forward, you will pass by the lower helm station before walking down the private staircase to the guest quarters. Midship you will find independent access to the Master stateroom, allowing for maximum space and a private suite. On the port side there is a day head for everyone's convenience? adjacent to the day head is a twin guest room with side-by-side berths. The spacious forward VIP has an ensuite bath and a walk-in closet, providing for more than ample storage.

---
