## Overview

---

Reelaxation offers anglers and cruisers a lot of boat at a very competitive price. Built on a modified-V hull with prop pockets, the 15'09" beam results in the cockpit and cabin dimensions of a much larger boat. Her cherry interior features a spacious salon with a teak and holly sole, full entertainment center, and sofa to starboard that converts into a double berth at the push of a button. A U-shaped galley with Corian counters, three-burner cooktop, and convection oven is forward of the lounge. Her accommodations consist of a forward master with a queen-sized island berth and a starboard guest stateroom with a double bed. A large double-entry head with separate stall shower serves both staterooms. Her 85 square-foot cockpit has two large fish boxes in the sole and two transom fish boxes. A tackle center is forward with livewell and sink. A staircase to port leads up to the flybridge with an L-shaped settee forward of the helm. Aft the settee is designed for fishing and cruising. A bench seat adjacent to the helm offers a good perch to watch baits. Two chairs serve the helm. The engine gauges and controls are all well placed. She is powered by T-635 HP Cummins with 800 hours and is equipped with a 9kW Onan genset. She is wrapped for the winter. Photos coming in the spring. Check out the Full Specs and call for an appointment to see her.

## Basic Information

---

**Category:** Sport Fisherman

**Sub Category:** Convertible

**Model Year:** 2005

**Year Built:** 2005

**Country:** United States
