This vessel has a cockpit canvas, microwave, head with shower, hot water heater, refrigerator and stove burner.The Chaparral Signature 260 is a classy family weekender whose quality construction and good overall performance make her a standout among trailerable cruisers her size. She rides on a balsa- cored modified-V hull, and Chaparral claims that her Extended V- Planebottom design translates into quicker planing and a softer ride. The Signature 260 is indeed a good-handling boat and visibility from the raised helm is excellent. Below decks, the midcabin floor- plan provides overnight accommodations for four adults in a cabin that boasts a full 6 feet of headroom. Considering the size of the cockpit, the interior of the Signature 260 is quite generous and includes an enclosed head compartment as well as a small galley and adequate storage. A curved settee is opposite the stylish wood- grain helm, and a walk-thru windshield provides access to the foredeck. A wet bar and hideaway aft lounge are standard in the cockpit.Note: See Brokers Note under FULL SPECS.
