SPECIFICATIONS

Overview

Reduced price, in time for summer.

Without a doubt, one of the better known cruising boats, from the 1970's. The Shannon's were designed and built in Bristol, Rhode Island and the 38's are known seaworthy boats, with an easy motion and easily handled offshore.

"Endeavour" was in the process of getting some attention both from Shannon and Brewer Yacht Yards. Much has already been done and just in need of a new owner to prepare her for use.

Recent price revision, December 2019.
