SPECIFICATIONS

Overview

Check out this one Owner 2000 35' Contender Side Console with Twin 250hp Yamaha, located in North Palm Beach Florida! The side saddle fuel tanks were replaced in 2019 & the center fuel tank was replaced in 2014. The boat offers a full tower with an upper control station built by Birdsall Marine Design. Contender's 35SC design is the best of both worlds: well-recognized for its fishing ability & comfortable ride. The boat has a 10' beam and a 24.5° deadrise hull. Notable features include a raised 38 gallon live well, a large cockpit with an in-deck fish box, a transom door, and an immense amount of storage below the helm. With a sizable cabin, full galley plus a complete head & shower, this vessel is properly-suited for overnight trips or crossings to the Bahamas.
