SPECIFICATIONS

Overview

A long history of "above the norm" performance these boats are still winning races. Many have been extensively reconditioned at great expense. This boat is one that fits this description with recent engine replacement, rigging, mast and sails AND MORE. This updating took place mostly in 2009. The boat has been stored inside and covered during the winter months at a premium yard in Connecticut. Call to arrange a showing if a performance classic sailor is appealing.
