DETAILED INFORMATION

Vessel overview

Incorporating the lessons learned from over 50 years of seasoned cruising, the upper cockpit of the Tiara 4500 Sovran features an extra-large, tilt-away helm and a double-wide helm seat. A wet bar with sink and refrigerator offer the comforts of home. The large sliding sunroof and integrated windshield provide maximum airflow along with optimum visibility and sightlines. Technological advances like IPS power systems and joystick control provide pinpoint docking and maneuverability.

Countless thoughtful details deliver unexpected luxuries to enhance the allure of a day – or even a week – at sea. The lower cockpit of the 4500 Sovran provides the ultimate in comfort and functionality, with large facing lounges, a portside jump seat, and an 8 square foot removable fiberglass or optional teak table that converts to a spacious sun pad.

The interior beckons with a roomy salon and galley, large forward master stateroom with private head and an aft guest stateroom with separate guest/day head. Skylights welcome natural sunlight, and a “whisper wall” headliner system provides more quiet relaxation below.

Built on an unmatched heritage of American Made quality, strength and seakeeping, the Tiara 4500 Sovran has the style to take your breath away, and the power to bring you safely home again. Whether cruising the coastline or heading for open waters, you’ll do it with the confidence and comfort found only aboard a new Tiara Yachts 4500 Sovran.

POWER & PERFORMANCE:

Twin Volvo® IPS 600, w/ Joystick Control, 435 HP

Generator:

Cummins Onan S/N: E130506722
