Overview

The **FJORD 42 open** has a head turning appearance. Her surprising power and her countless amenities spread about the yacht. Go for a spontaneous day trip to the sand bar. Take some friends on a laid-back cruise on the intracoastal to your favorite restaurant. Arrive at a summer party in style or be the host of your own. Driving this beauty is a breeze with the Joystick control of the Volvo Pod Drives.

This 2019 Fjord 42 has only **130 hours** on the Volvo D6 435s and **engine warranty through 11/23**. She has been lovingly cared for by one owner who had her custom-built and since maintained in pristine condition. A 'must see' to appreciate.

Hull and engine survey performed 7/20 available for review.
