## Overview

---

Highly outfitted, immaculately cared for 2008 29 Dual Console. Owner of this boat has spared no expense from electronics to Gear, to the trailer.

The boat is loaded and completely updated this year with it just now having 300hr service completed and all electronics updated to led lighting and underwater lighting, gel batteries new on board charging system with new simrad system to include radar chip trailer with new bunks and brakes added. It's a still but family illness and job will make it impossible to use which is why the guy sold it to me. If it's put out there it will go fast. Surveyed came in at \$166,000. Don't wait, this World Cat won't last long.

Actual Pictures and Specifications to follow soon.
