SPECIFICATIONS

Overview

Vimna are mythological flying palaces or chariots. Designed by Groupe Finot, the Beneteau 311 is fast and comfortable and has many of the characteristics that one might expect from much larger boats. The powerful hull along with Beneteau's integral molded grid structure, combine to create an extremely strong and stiff structure. As for the rigging, her large sail area is divided between the mainsail with long battens and the moderate overlap furling genoa. The deck layout is simple and efficient. The large cockpit has slatted teak seats and is completely uncluttered (the mainsheet traveler is on the coachroof, with rigid boom vang) and the roller furling genoa 30 CST sheet winches are within easy reach of the helm. The Beneteau 311 has standard features such as lazy jacks, a quick reefing system, and solid boom vang. Below deck and to port is the galley with gimballed stove, stainless steel sink with pressurized hot and cold water, and plenty of storage. To port there is a large head with marine toilet and wash basin, shower with pressurized hot and cold water, a hanging locker, and plenty of room to store sundries. To starboard is a large navigation table. Electronics can be easily seen from the bulkhead. The symmetrical salon consists of two settees flanking a large drop-leaf table. The 311 has two cabins - forward and aft. The private forward cabin has a V-berth (6-feet 5-inches by 4-feet 6-inches), a large hanging locker, and lots of storage along the side of the hull; the aft cabin is also generous in size with plenty of room for storage.

Basic Information

Category: Cruising Sailboat

Model Year: 2000

Year Built: 2000

Country: United States

Dimensions

LOA: 32' 4" (9.86m)

LWL: 28' 10" (8.79m)

Beam: 10' 7" (3.23m)

MFG Length: 31' 0" (9.45m)

Speed, Capacities and Weight

Displacement: 7716 Pounds

Water Capacity: 48 Gallons

Holding Tank: 13 Gallons

Fuel Capacity: 17 Gallons

Accommodations

Total Cabins: 2

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 2GM20F

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Construction

HULL: Laminated G.R.P hull with internal grid, fiberglass hull liner, reinforced with unidirectional rovings.

DECK: Balsa sandwich for stiffness, plus thermal and acoustic insulation. Deck liner for additional insulation and easy maintenance.

INTERIOR WOOD: Cherry stained wood.

STRUCTURAL BULKHEADS bonded 360 degrees to hull and deck liners for maximum strength.

On Deck

- Aluminum stemhead fitting with roller and fairlead.
- Self-bailing anchor well.
- (4) anodized aluminum mooring cleats.
- Aluminum toe rail.
- Bow pulpit with two-color navigation light.

- (2) Fixed hull portholes
- (1) Transom opening portlight.
- Stowage lockers under settees.

Nav Station

- Chart table with lockers.

- Panel for navigation instruments.
- Ice box with 12v refrigeration unit under chart table.

Galley to port

- Headroom 6'0".
- Rectangular stainless steel sink.
- Laminate counter top.
- Mixer tap, pressurized hot and cold water.
- 6 gal water heater 110v.
- Cutlery drawer.
- Stowage lockers.
- 2-Burner stove/oven, with 1-10lb tank, LPG system.
- Trash can.
- (1) Lewmar opening porthole with curtain
- (1) overhead light.

Head

- USCG approved marine toilet with holding tank, 13 gal.
- (1) Lewmar opening portlight.
- GRP washbasin with mixer tap, pressurized hot and cold water.
- Electric sump pump.
- Mirror.
- (1) Halogen overhead light.

Aft cabin

- (1) Double berth (6'4" x 6'6").

- High density cushion.
- (1) Fixed portlight in the transom.
- (2) Lewmar opening portlights with curtains.
- Shelf on transom.
- Locker along the hull.
- Hanging locker.
- Stowage under berth.
- Access hatch to engine and shaft gland.
- (1) Halogen light.
- (2) Reading lights in cabin.

Forward cabin

- Headroom 5'8"
- 1 double berth (6'6" x 5'0").
- Hanging locker.
- Wood paneling and padding against the hull.
- Stowage under berth.
- (1) Halogen light.
- Door between salon and cabin.

Engine

- Diesel engine (18hp)
- 18 gal fuel tank.
- Fuel gauge.
- Engine mounts incorporated in hull liner.
- 2-blade fixed propeller.

- Engine compartment with eggshell foam insulation.

Electrical System

- Rigging grounding system (lightning protection).
- 12-volt electric circuit.
- 10 circuit 12-volt electric panel.
- 2 x 70 Amp batteries Group 24 size, wet-cell-type lead acid for starting engine and services, with battery switches.
- 20 amp battery charger.
- 35 amp belt drive alternator
- Electric refrigeration unit.
- Shore power plug.
- (5) 110 volt outlets.
- Electric bilge pump.
- Shore power inlet 30A on transom.

MISCELLANEOUS

- Interlux barrier coats and Marpro modified epoxy hard paint.
- Airconditioning by Mermaid Air
- Freshwater boat!
- Anchor Rode: 15' Galvanized Chain rode and 150' of 3-strand 5/8" nylon rode.
- Pedestal steering w/engine controls, compass, instrument pod and guard.
- Hand-operated bilge pump.
- 2 winch handles.
- interior cushions original, green
- boot & cove stripes: green

- Owner's manual.
