## Overview

---

### **BEAUTY**

### **LUXURY**

### **HIGH PERFORMANCE**

**A Powerful Combination of Beauty, Luxury and High Performance in a Top of the Line Power Cruiser. With the latest European Design features throughout the Exterior and Interior of this High Performance Yacht. The Interior Appointments in the Staterooms and Crew Cabin are impressive from the large beds to a Leisure Chaise Lounge in the Owners Stateroom. A beautifully appointed Salon and Table with an Electric Hide-Away Large Screen HD Television unit. The Main Helm Station is nicely designed into the starboard side of the Salon allowing rapid access to the helm station when necessary. The Galley was created for casual Mediterranean Gourmet meals for the Beautiful People on-board.**

**Exiting the Salon through the Double-Sliding Glass Door, step out onto the Aft Deck with a Hard Top Cover, large 'U' Design seating area with Teak Table. Perfect for Entertaining Friends. Drop the table down for a large, very nice Sunning Bed. There is a Super Electric Grill/Sink/Refrigerator section on the Port side of the Aft Deck to enjoy a summer cookout while at anchor or at dock. Going forward there is another large Sunning Bed on the forward deck as well.**

**From the Aft Deck take the Spiral Stairs up through the Glass Hatch to the Fly Bridge to enjoy the view and the thrill of speed. The Fly Bridge has two Captain Chairs, a full Helm Station plus more seating to sit or layout in a large extended "U" designed seating area to keep the Captain company.**

**This Powerful Yacht gets its power from Two Volvo Penta Turbo IPS 600 Diesel Engines with 435 HP each.**

**To top off all these luxury features and appointments the stern has an electric garage which opens with the touch of a button to store a Rib Inflatable and Motor (transfers with the yacht). The garage has a remote control electric winch to haul your inflatable into the the garage. There is even additional space for some toys and other accessories.**

**This is a Powerful Cruising Yacht which conveys Quality, Timeless Design, Durability and Speed.**

## Fly Bridge

---

Going from the Aft Deck to the Fly Bridge is easy using the Curved Ladder and built-in steps.

The Ladder leads to a Glass Hatch on a pneumatic lifter. When stepping up to the Fly Bridge (FB) there is SS Railing on 2 sides of the hatch.

The FB has 2 Captain Chairs at the Helm Station and a Reverse Wind Screen. The FB Helm Station is fully functional.

On the starboard side from the Helm Station and curving directly aft of the hatch way is a wonderful "Extended U" Designed Seating/Sun Bed/Dining area where one can lounge, eat and entertain while keeping the Captain company when underway. The table can be raised for dining or lowered to make a sunbed/lounger area.

Mounted on the Bridge Arch immediately aft of the FB is the Raymarine Radar Mast and components.

The Seating/Sun Bed area has a Bimini for providing shade over that section of the FB.
