SPECIFICATIONS

Overview

This vessel just had a new engine installed in August 2019 and only has 62 hours on it. The engine install alone cost \$16,000 so this is the deal of a lifetime for someone looking for a river cruiser, fishing boat, liveaboard, weekend vacation home or getaway. The vessel has been maintained by the same owner for over 25 years. Slickcraft is popular for their Express Cruiser, Cruisers, Cuddy Cabin, Antique and Classic and Freshwater Fishing among other classes and models. Overall these boats have moderate draft and generally wider beam, attributes that make them a favorite for overnight cruising, day cruising and saltwater fishing. Given their classic, crowd-pleasing status as a popular, established boat brand, used Slickcraft boats in good condition often make great candidates for boat repowering projects. This boat was repowered in August 2016 with a 383 Mercruiser 325 hp with only 62 hours on the engine. It was used primarily for fishing as was maintained by the Owner and Northpoint Marina in Brigantine. This boat is a fantastic value for someone looking for a well-maintained reliable fishing or cruising vessel. The following is a list of items that go with the sale of the Slickcraft:

1. Bridge enclosure with full wrap-around plastic windows
2. Electronics: Loran, depth and fishfinder, GPS, radio, charts
3. Captain chairs (2)
4. Fishing rods (4)
5. Spare 3 blade prop
6. Zinks, ropes, fiberglass cleaner and wax, Permasteak covering, orbital polisher
