# DETAILED INFORMATION

---

## Motor Yacht JEWEL

---

Jewel is a Nomad 95 SUV, a motor yacht that takes its place as the flagship of the Gulf Craft range. Jewel sports the latest in the yard's design and engineering expertise, and is hull number one of this exciting brand new model.

Jewel is a long-range cruiser capable of a 1,152nm range, with power derived from twin CAT C32 engines that deliver 1902hp. Jewel has a maximum speed of 23 knots and cruises at 16 knots. The yacht is constructed in composite with teak decks, and the hull is finished in a deep blue.

In an ingenious layout, the 30.55m Jewel offers an impressive five guest suites for the accommodation of 10 guests. There are two master staterooms, one on the main deck and one on the upper deck, a guest double and two twins. All of the accommodation is ensuite and there are separate quarters for a crew of four plus Captain.

Jewel is equipped with a bright and contemporary interior that optimises the influx of natural light and utilises a largely neutral colour palette. This fresh and modern styling pairs oak veneers in complimentary shades of sand and dark grey, and the sophisticated look is carried throughout the yacht.

Jewel has a beam of 7.4m and a total 160sq.m of outdoor space with many versatile living areas. The main saloon and interior dining space is equipped with a 55' television screen, Bose speakers and a media hub, and no expense has been spared on audio-visual integration.

Another impressive feature of Jewel is her 20sq.m tender garage at the yacht's stern. There's stowage space for a 4m tender and a pair of two-seater jet skis, and with the hydraulic door folded down a beach club area is created.

This tri-deck motor yacht was built to Bureau Veritas classification and comes with a full

shipyard warranty.

## **Exclusions**

---

Owner's personal belongings.
