Motor Yacht VULCAN 46 M

This Vulcan 46 is due for delivery from Vicem Yachts in 2021. The Vulcan 46 is a 45.63m motor yacht offering an incredible 641sq.m of dedicated guest areas.

This Vulcan 46 is the second of this model to be built by Vicem in Turkey. Vicem was founded in 1991 and today the yard is widely recognised for its impeccable craftsmanship and allegiance to quality. Each Vicem-built superyacht is unique in character, exquisitely crafted and tailor-made with an artisan style to suit the requirements of each individual owner.

The Vicem shipyard is well known for its timeless designs, and the contemporary exterior profile of the Vulcan 46 gives the yacht wide appeal. Spacious, bright and with a curvaceous art deco-inspired interior design, the attention to detail elevates this yacht into a class of her own. Still under construction, an owner has many opportunities to customise the interior décor to their exact taste.

Across the Vulcan 46's four decks, there's accommodation for 12 guests and three main exterior spaces. The accommodation is arranged with the full-beam master stateroom on the main deck, positioned forward of the saloon, and the guest suites are on the lower deck. The master stateroom benefits from a full ensuite bath with Jacuzzi, and an adjacent owner's office. The configuration of the guest cabins comprises a VIP, two doubles and two twins.

The Vulcan 46 also has a gym on the main deck and a stylish saloon with formal dining table.

Ascending to the upper deck, the Vulcan 46 has a large exterior dining area and plenty of space for sunbathing to aft. There's a saloon with a bar counter and the lounge offers elevated, panoramic views.

Topping the Vulcan 46 is an impressive 98sq.m flybridge that boasts a Jacuzzi, relaxed

lounge area, al fresco dining table, bar and sun loungers.

The Vulcan 46 has a tender garage at her stern with ample stowage space for a 6.5m tender, two jet skis and room remaining for additional water toys and equipment.

The Vulcan 46 had a top speed of 16 knots and at her economical 12-knot cruising speed, delivers a 3,500nm range.

The Vulcan 46 from Vicem Yachts is a yacht without compromise and fantastic opportunity for an owner to acquire a brand-new vessel, built with passion and to the very highest standards.
