## Overview

---

LUCY PENGUIN is a flush-deck motor yacht with a full beam salon and an aft deck large enough for alfresco dining for six. Forward of the salon is an all mahogany finished pilothouse with all new soft goods, followed by the port-side main deck galley and starboard-side day-head.

The curved staircase from the salon leads down to the guest staterooms that includes a full beam master stateroom and two twin guest staterooms, all ensuite.

The crew area has sleeping quarters for four, forward of the pilothouse.

LUCY PENGUIN has been tastefully updated over the years, from soft goods to appliances, modern navigation, electronics and more. Most recently her Flag Blue hull sides were repainted along with new hull bottom paint and zincs. Non-skid and bright work was also part of her updates. All her machinery has been serviced, repaired and or replaced as necessary. A new Bimini-top and isinglass was also just replaced on her large flybridge.

LUCY PENGUIN was originally built as a 72' Motor Yacht and had cockpit extension done by Robovich/Spencer in 1995 when the bow thruster was also added.
