SPECIFICATIONS

Overview

The Larson Cabrio 260 is the ideal family cruiser and Rock n Roll is very clean and all the options.

She has 600 hours on her Volvo 5.7L engine and was a fresh water boat until 2016. She has had Volvo recommended maintenance since then including risers, bellows and stern drive care. A tandem trailer with new tires is included.

She has a large cabin for a trailerable boat and features flexible cockpit arrangements.... the cockpit seating changes from sun lounging, to dining, to entertaining with the flip of a few cushions and you can stow the aft seat to open up the stern area entirely.

Rock n Roll is in cruise away condition and includes her slip at an upscale Rhode Island marina. Keep in mind that RI does not have a sales or use tax. Why buy new?

Please see the full specifications and photos for additional information.

Basic Information

Category: Cruiser

Model Year: 2008

Year Built: 2008
