## Overview

---

The Cobalt 276 introduced in 2009 is built on a Kevlar reinforced hull that has a unique layout where the walkway forward extends all the way to the anchor windlass which makes it a breeze to use. The double stitched upholstery is a signature feature of all Cobalt Boats. The comfortable cockpit seating has a L shape Lounge seat with a super large sun pad for two, integrated swim platform with a walk thru transom, cockpit storage console, the double helm seat with flip up bolsters makes this 276 Cobalt a great performer with its 8.1 Volvo Penta motor and drive. This well yard maintained Cobalt has 283 hours on her she can attend speeds in the mid 40 knot range recent upgrades replacing the manifolds, fire suppression system, fuel injectors and batteries. Stored indoors for the winter months this second owner boat has all the great features to entertain family and friends for a day on the water. She is presently on the hard ready to go for her next owner.
