SPECIFICATIONS

Overview

Son Lovers is a wonderful 2005 Carver 46 Voyager. She boasts three cabins and 2 heads. The present owner has done a great job of maintaining and also updating this beautiful motor yacht.

She has brand new interior carpet (2020), fresh bottom paint (2020) and brand new ice maker on the fly bridge (July 2020), newer fridge/freezer, as well as new blue LED lights on the aft deck and fly bridge, creating a "cool" mood for relaxing after dark as you sip your favorite beverage and listen to the Fusion stereo system!

This vessel also has the deluxe hydraulic swim platform as well as the 600LB crane to lift your tender or jet ski onto the cradle at the aft of the fly bridge!! Platform has also just been finished with new decking custom made for the boat.

Her twin Volvo TAMD75EDC diesels move her along at a very comfortable cruise of 20 knots while enjoying the air conditioned bridge. She has a hard top with a new Bomar hatch as well as twin MFD's at the upper helm station.

To accommodate longer range cruising she is also equipped with an Offshore Marine Labs reverse osmosis water maker with remove control panel/monitor and a Xantrex inverter system also with remote panel/monitor.

The battery charger has been updated/upgraded to ProNautic 12/30 system and for ease of maintenance there is a Reverso oil change system.

This boat is in AMAZING condition and will not last long on the market. Please call to schedule your showing now!
