# DETAILED INFORMATION

---

---

## Introduction to Lagoons Flagship 620 Sailing Catamaran

---

Award winning naval architects Van Peteghem and Lauriot Prévost (VPLP) have created a flagship model truly designed for long distance cruising – a luxurious home that can be sailed around the world with just two people. The flagship Lagoon 620 is a proven design for this cat builder, with 72 hulls sailing. Together with the Lagoon R & D team, the 620 is an innovative solution to owners' needs: strength, comfort, performance and choice! At 62 feet, the volume even in a catamaran's narrow hulls begins to get significant, and Lagoon cuts it up a number of ways in the Lagoon 620 to offer arrangements with as many as five double cabins or as few as three. These are all either 4 or 5 cabin layouts. All provide island beds and their own ensuite heads with stall showers. Under the rigid aft-deck awning, which is an extension of the saloon roof, a large dining area is serviced by a wet bar. The double helm station provides perfect visibility when setting sail or manoeuvring, and the 620 features a functional flybridge that can also accommodate visitors, thanks to separate crew and reception areas. Enjoy a large forward sun deck and perfectly designed transom platforms for easy access to the sea when swimming or boarding a dinghy. Moving around the boat is easy thanks to flush deck panels and wide side decks. There is an almost perfect integration between the saloon and cockpit, and it includes a wet-bar. Key features

Flybridge – or upper deck  
Two helm stations  
Three or Four Cabin versions with upgraded "luxury yacht interiors"  
A large forward sun-deck and a functional flybridge  
Saloon and cockpit feature a wet bar, areas to relax, as well as indoor and outdoor dining areas  
A transom platform for easy access to the ocean when swimming or boarding a dinghy  
Large hull and picture windows offer plenty of natural light

---

## Layout and Accommodations

---

There are a total of Six Catamarans Lagoon 620 ESSENCE owners models being offered for sale. Some are four cabins and some are five but they are all the same size and are offered at the same price regardless of layout. These are upgraded semi custom sailing catamarans with more luxurious yacht interior spaces. They are in very good condition and have been meticulously maintained by professional crew.

Features which set these catamarans apart from others on the market:

- Top End interior package
- Two Generators
- Extra Sail Package
- Large Tender
- Always maintained by full crew
