DETAILED INFORMATION

Overview

PRESENTING 'OBSESSION' A FRESH WATER MOORED PACIFIC MARINER 65 PILOTHOUSE WITH SLIP AVAILABLE. EXPERIENCED LOCAL OWNERS attentively maintain OBSESSION for ready, on-demand yachting. Enjoyed throughout the Pacific Northwest OBSESSION has taken its owners and guests to every destination in **Safety, Style and Comfort**. Stepping aboard OBSESSION, it's the **Solid** feel in the balance and construction that draws you in. Aboard the full width molded fiberglass non-skid swim platform you note a double set of stainless steel staple railings with an extra set of storage receptacles for **Flexibility** to configure boarding as necessary. Mounted to the swim step is the (in water) boarding ladder, recessed stainless steel **Pop-up** cleats for the tender and water toys and large recessed storage locker with live-well pump. Fresh water hot & cold transom shower is conveniently accessible here. Next, you **Intuitively** lay hold of a well-placed handrail and ascend the portside steps and through a stainless steel framed boarding gate onto the **Fully** enclosed expansive aft deck. Directly ahead and molded into the non-skid deck with an access hatch is a large under deck storage compartment for fenders, lines and cleaning supplies. Custom stainless steel cleats are mounted port and starboard atop the gunwales with in-deck Capstan power winches for securing stern lines. Forward port and starboard are motorized, retractable 50A shorepower cords. Situated on the aft deck is the moulded-in settee fitted with **Custom** upholstered cushions, pillows and seat backs. Lazarette, crew bunk, Laundry and Engine room access are located below the settee through a lockable hatch. When lounging on the aft deck you have **Unobstructed** visibility forward through the stainless steel framed full width floor to ceiling window and **Locking** sliding salon door into the expansive salon and forward along the starboard side into the pilothouse. Overhead and courtesy lighting is provided for evening entertainment and safety. Access to the fly bridge is through an opening portside in the deck above and via stainless steel framed, ladder with teak treads **Highlight features** for OBSESSION incorporates a **Comprehensive** catalog encompassing design, function, layout, performance, reliability and safety. OBSESSION's floorplan is **Welcoming and Comfortable**, boasting volumes of space and natural light typically seen in larger yachts. The main deck is **Open** from the aft deck through the salon, then forward along the starboard side to the pilothouse helm area with generous headroom. Well-appointed **Accommodations** include a full beam, king bed Master Stateroom with ensuite head and bathtub and shower, VIP cabin forward, adjacent head and shower, port Guest cabin with side-by-side twin beds, an adjacent head with vanity and shower, Crew area aft with storage under the bunks, additional storage, laundry and wash basin. There is an abundance of headroom in the stand-up **Engine room** between the engines with ample room forward and outboard for accessibility to critical systems. **Exterior** spaces on the main deck extend forward from the aft deck along wide non-skid side decks to the foredeck lounge area. Access to the **Fly Bridge** is either via aft deck stainless steel ladder with teak treads or by ascending the interior stairs next to the Galley. On the Fly Bridge deck forward and centerline is the helm area with an impressive array of electronics, and 2 - adjustable helm chairs. The **Centerpiece** on the fly bridge is the molded L-lounge with custom cushions for

dining and entertainment, and an outdoor Grill. The **Expansive** fly bridge is protected by the glare-resistant **Hardtop** with removable, repositionable front, sides and aft high quality clear acrylic panels attached. The uncovered boat deck section has port stainless steel railing and self-draining non-skid FRP deck presenting a fabulous multi-use area with plentiful space. The 13' Caribe tender is mounted fore and aft is launched with the 1500-pound capacity davit. The décor is tasteful with custom carpets, furnishings and décor throughout, richly finished hickory flooring is in the pilothouse and galley. **Complementing** the luxurious interior is satin finished teak paneling, cabinetry and doors. **Reliable** Detroit Diesel 8V92TA 760 hp @ 2300 RPM Marine Diesel Main Engines **Managed** by a 3 station DDEC electronic engine control system which includes a portside pilothouse wing station, are the heart of **Performance** offering high torque and low rated RPM providing excellent vessel control. Balancing the **Robust** drivetrain are 2.5" stainless steel propeller shafts, 5-blade Nibral propellers, Cast bronze rudders with stainless steel posts and Sea Star hydraulic steering. Fully integrated electrical system with **Northern Lights** 20 kW and 8 kW / 120/240V / 60 Hz Marine Diesel Generators, inverter/charger & remote panel for ship's service, 12V battery charger, 24V battery charger, 24VDC to 12VDC converter, Aft Port and Starboard Cablemaster motorized storage system with retraction and extension of the 50A/125/250V shore power cords. **Electronics Suite** in pilothouse and fly bridge.
