Overview

SOUL MATES II is a two-owner 2004 Carver 36 Mariner, currently in the fresh water of the St Johns River. This boat has been well cared for, and is the perfect boat for daily and weekend cruising, longer vacation trips, or just staying at the dock and looking stylish while entertaining. **There is a custom fully enclosed hard top on the flybridge** which adds additional usable space in any weather conditions. The wide beam and full beam salon provide a roomy, comfortable interior. SOUL MATES II feels like a much larger boat, and is ready for her next adventure.

DETAILED INFORMATION

MAIN DESCRIPTION

SOUL MATES II is a two-owner 2004 Carver 36 Mariner, currently in the fresh water of the St Johns River. This boat has been well cared for, and is the perfect boat for daily and weekend cruising, longer vacation trips, or just staying at the dock and looking stylish while entertaining. **There is a custom fully enclosed hard top on the flybridge** which adds additional usable space in any weather conditions. The wide beam and full beam salon provide a roomy, comfortable interior. SOUL MATES II feels like a much larger boat, and is ready for her next adventure.

2004 CARVER 360 MARINER COCKPIT/DECK

The cockpit on SOUL MATES II is spacious enough for fishing, entertaining, or lounging. Features include: molded swim platform, transom door, swim ladder, and a hot/cold transom shower. Access to the engines and generator is via three floor panels in the cockpit. There are two flanking stairways that lead to the flybridge and a sliding glass door into the salon and interior. There are wide sidewalks on either side of the flybridge, which make movement to the bow and cockpit, as well as docking, very convenient. The bow features an integrated jump seat with cover, fender racks, a Maxwell windlass system with pedal controls, a searchlight, and a plow style anchor with 200' chain rode. Behind the bow seat is a large stowage area that also provides access to the flybridge electronics and their electrical connections.

2004 CARVER 360 MARINER FLYBRIDGE

SOUL MATES II has a fully enclosed flybridge, with a custom hardtop. The Strataglass is in very good condition. The carpeted flybridge is a large and comfortable space and is perfect while underway or in port. Two upholstered captains' chairs, settees to both port and starboard, and a full length sofa across the back of the flybridge easily provide enough seating for 10 guests. A floor hatch makes it convenient to pass things up from the galley area. This space also includes an Isotherm refrigerator/freezer, stereo speakers, and a wet bar.

2004 CARVER 360 MARINER SALON

The full beam salon and single-level interior makes SOUL MATES II feel much larger than her 36'. The large sliding glass door from the cockpit, as well as the curtained portlights on either side let in abundant natural light, which is reflected by a mirrored bulkhead wall. The sliding door has an integrated screen. The neutral interior feels updated and contemporary. The Ultra-leather dinette is aft to starboard, and features a high-gloss high-low cherry wood table, that matches the interior woodwork. There is a full length cabinet beneath one of the dinette seats which provides

great storage. Opposite the dinette to port is an Ultra-leather L-shaped lounge. The base pulls out to provide a double guest berth when filled in with cushions. A Vizio flat screen television with a FlexVision DVD player and a Clarion Radio/CD player with Sirius capability are mounted across from the lounge. There is a Walvac central vacuum system. The carpeted sole does show wear.

2004 CARVER 360 MARINER GALLEY

Forward to starboard is the galley, which adds to the open feeling of the interior. The galley on SOUL MATES II features: a built in Sharp microwave oven, a Nova Cool refrigerator/freezer, a large stainless steel sink, a water tank monitor, stylish black Corian counter tops, a Shott Ceran Princess two burner electric cook-top, a hardwood sole, and abundant galley storage including cabinets, drawers, and two large slide-out cabinets.

2004 CARVER 360 MARINER HEAD

SOUL MATES II features a large head with a separate stand-up stall shower with a built-in mirrored cabinet, a sink and vanity, a mirrored cabinet behind the sink, a Sea Land Vacuflush toilet, a Tankwatch monitoring system, a fiberglass sole, and doors to both the salon and the master stateroom.

2004 CARVER 360 MARINER MASTER STATEROOM

The master stateroom on SOUL MATES II is forward and features a queen-sized island berth, with decorator bedcoverings. There are hanging lockers on either side of the stateroom, drawers and storage under the bed, cabinets on both sides, a carpeted sole, portlights, a large hatch, and private access to the head.
