SPECIFICATIONS

Overview

A development of the popular 88 Domino series, she is built in GRP by Italian yard Riva to a design by Officina Italiana Design and is RINA classed. An interior in striped rosewood with fine leathers and fabrics accommodates eight guests in four cabins consisting of a full-beam master suite, VIP suite, a double and a twin, all with entertainment centres, flatscreen televisions and en-suite bathroom facilities. In addition, there are quarters for four crew.

In the main saloon, which benefits from the extensive glazing to allow in ample light, two settees are located to port with a third to starboard, all upholstered in white leather and grouped around a dark leather and stainless steel coffee table. Forward, a glass topped dining table seats eight guests on Poltrona Frau leather chairs and has two low cabinets for storage of glassware, china and silver.

The aft deck is substantial, offering seating on a C-shaped settee and folding chairs along with a table and small fridge, creating the perfect venue for relaxed al fresco entertaining and dining. Meanwhile, the sun deck offers yet more outdoor living, featuring built-in C-shaped seating, dining tables, sun pads and sun loungers. For complete sunbathing privacy, the foredeck has a dinette and a built-in settee. Twin 2,435hp MTU diesel engines power her to an exhilarating top speed of 38 knots.

KEY FEATURES

- Still under warranty
- Very rarely used (low engine hours)
