SPECIFICATIONS

Overview

Loafers Paradise is a great find for anyone looking to buy a Hatteras around this size and price range. She is one of the few 67' Hatteras extended deckhouse cockpit motor yachts built, and has been extensively renovated 2 years ago with no expense spared on high end custom finishes throughout the entire vessel. This boat's outstanding features include four staterooms, three heads, walk around decks, cockpit, galley up and a large flybridge.

Max Speed: 21 Kts. (24 MPH)

Displacement: 95000 Pounds

Gross Tonnage: 82.58 Pounds

Water Capacity: 372 Gallons

Holding Tank: 210 Gallons

Fuel Capacity: 1171 Gallons

Accommodations

Total Cabins: 4

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Detroit Diesel

Model: 12V TAB

Fuel Type: Diesel

DETAILED INFORMATION

Introduction:

"Loafers Paradise" is the finest 67 Hatteras motor yacht on the market with a tremendous amount of money spent on a refit to make her more appealing. The Galley up configuration with the modification of the galley makes for a very open feeling like a country kitchen style of yachts much larger.

The Galley is open to the salon then flows out to the large aft deck with custom aft deck oval table with occasional chairs around the centered aft deck table.

"Loafers Paradise" has a full beam master aft accessible from the salon to its private staircase away from the other guest staterooms. The Master has been totally refitted to feel like a beach house with a nautical flair.

Upgrades and features

In 2018 a major remodeling project was completed to most of the interior. The attention to the decor and details in this entire boat is like nothing you have seen.

Refinishing almost every floor and wall coverings throughout the boat with custom high end decorator finishes. Dimmable lighting throughout.
