ПОДРОБНОЕ ОПИСАНИЕ

Introduction:

"Loafers Paradise" is the finest 67 Hatteras motor yacht on the market with a tremendous amount of money spent on a refit to make her more appealing. The Galley up configuration with the modification of the galley makes for a very open feeling like a country kitchen style of yachts much larger.

The Galley is open to the salon then flows out to the large aft deck with custom aft deck oval table with occasional chairs around the centered aft deck table.

"Loafers Paradise" has a full beam master aft accessible from the salon to its private staircase away from the other guest staterooms. The Master has been totally refitted to feel like a beach house with a nautical flair.
