SPECIFICATIONS

Overview

With over 2 dozen rod holders Parker Rose is a fishing machine! She has a huge cockpit, live well and aft steering station. Her electronics includes a Lowrance HDS-12 Gen3 Fishfinder & Chartplotter with a huge 12" multi-touch display and dual sidescan/downscan transducers. She has everything you need to bring in the catch. And if the weather goes south while out on the fishing grounds her pilot house and extended hard top will keep you dry. Below decks the cuddy cabin features a fresh water head.

WALKTHROUGH - COCKPIT - C-HAWK 29 - PARKER ROSE

Entering the spacious aft cockpit there is plenty of room for a great fishing expeditions and for deck chairs when you're not reeling them in. The cockpit features over 2 dozen rod holders as well as port and starboard outrigger mounts. A live well is built into the transom, where the engine box is center mounted. A steering station is found mid-way on the starboard side, with a bench seat opposite forward. A hard top, with racks for 21 rods, extends over 40% of the cockpit. A storage/tackle locker is found at the forward starboard bulkhead, with a cup holder and speaker mounted above. A second stereo speaker is mounted on the front of the steering station. Two utility lockers are found in the transom, port and starboard, with a third under the steering station. The Cockpit features custom SeaDek non-skid cockpit decking. Entering the Pilot House through a center mounted door the helm is to starboard with a mate's chair to port. A locker with counter top is found forward of the mate's chair. Additional storage is provided by lockers found under the Captain and mate's chairs. There is an overhead light and seven windows (4 open for ventilation) providing 360 degree visibility. The companionway to the cuddy cabin is center mounted, forward in the Pilot House. The cuddy cabin features a fresh water head, forward center, with the fresh water tank mounted behind and a chain locker behind that. Bench seats run the length of the cabin port and starboard, with storage lockers underneath. Ventilation is provided by an overhead hatch. There are two fixed portlights port and starboard and an overhead light.
