SPECIFICATIONS

Overview

The Maxum 3100 is a stern drive cruiser with a conventional mid-cabin interior. A solid fiberglass, modified-v hull with moderate beam and reverse chines to dampen spray. Below a privacy curtain separates both the forward sleeping berth and the mid-cabin area from the main salon. The salon with has a semicircular lounge-dinette (which converts to a double berth) to starboard, an enclosed head with sink and shower, and a full galley to port with abundant storage. There are six opening ports for ventilation. The absence of interior bulkheads makes for an open floor plan. The cockpit features a double wide helm seat, an I-shaped lounge opposite, and U-shaped seating aft complimented by a sink and cooler space. An opening windshield provides access to the foredeck and lots of ventilation. Foredeck has twin sun pads.

This boat appears in excellent condition, well maintained and priced for quick sale.
