SPECIFICATIONS

Overview

This Chaparral is everything a recreational bowrider is supposed to be. Spotless from bow to stern, upgraded speaker system and plenty of room to entertain your family and friends. The engine room is so clean, you could eat off it. A quick glance at the pictures will show how the owner has kept this boat in pristine condition. All upholstery is in PERFECT condition, and the rug is brand new in the spring of 2020. She is powered by a Volvo 5.7 GXI that was rebuilt in the beginning of this season (\$12,000 in work!) Manifolds, risers, filters, oil and plenty more, with all receipts to show for it.
