DETAILED INFORMATION

Highlights

- Four staterooms with separate crew quarters for two
- Bow and stern thrusters
- Stabilized
- Abundant refrigeration and storage
- Port and starboard wing controls aft
- Air conditioned flybridge with soft enclosure
- Low hours (2,177 as of 8/20/20)

Walkthrough

Aft Deck

Entering from the stern through the center transom gate the cockpit is great for fishing, line handling, and as a staging area for diving. Up five stairs either port or starboard you enter the aft deck with a U shaped settee, maple inlay dining table, and built in polished stainless grill to starboard. There is a sink and refrigerator to port. Moving forward to the aft end of the deckhouse there are port and starboard control stations with bow and stern thrusters as well as controls.

Salon

The salon is entered to port through a pneumatic sliding glass door. An L shaped settee is to starboard and banquette to port with storage and 55" Samsung television, wine cooler, main electrical panel, and audio/visual equipment. Moving forward centerline and up two steps is the galley to starboard with four Sub Zero refrigerator drawers and two Sub Zero freezer drawers. To port is a built in settee with expandable dining table.

Staterooms

Moving forward centerline from the galley and down six steps to the lower level, the VIP is forward with an island queen bed forward, vanity with pullout seat to port, and hanging locker to starboard. The VIP bathroom is aft to starboard. Aft of the VIP to port is the day head with shower that also serves the port and starboard guest stateroom.

Further aft to port is the port guest stateroom with twin berths, hanging locker to port forward, and nightstand with drawer storage.

To the starboard side of the VIP aft is the starboard guest stateroom with over/under berths, hanging locker aft, and built in desk to port with storage.

Back to the main salon aft to port is a semi-circular stairway down to the owner's suite aft and engine room forward. The owner's suite has a king size bed aft centerline with drawer storage to port and starboard. Forward to port is a walk-in closet and the bathroom is forward to starboard with large shower including a bench seating.

Flybridge

Up seven steps from the aft deck to port is the flybridge with an L shaped settee to starboard with large table and two polished stainless-steel helm chairs forward at the helm. Starboard forward is a refrigerator and to port is a sink with hot and cold water.

Up two steps aft is the aft tender deck with 11' AB RIB with 50hp Yamaha and Besenzoni 1,500 lb. davit.

Accommodations
