SPECIFICATIONS

Overview

Sleek, super yacht, the 88' Riva 2016 M/Y N Domino Super is bound to appeal equally to those looking for a leisurely cruise as to those looking for a high performance yacht. She is the result of the cooperation between Officina Italiana Design - the design firm led by Mauro Micheli and Sergio Beretta that pencils the entire Riva range - and Ferretti Group's Engineering Department.

This yacht immediately strikes the eye for its slender, streamlined profile, which is further highlighted by the colour of the hull, a dark grey that has been named 'London Grey'. The same innovative colour shade can also be found in some deck details and harmoniously contrasts the light grey (Moon Grey) of the superstructure.

- Bimini cockpit with carbon poles
