## Overview

---

TxAu (Texas Gold) is a well maintained and equipped 1991 Trojan 12 Meter Motor Yacht. She is a two-time Great Loop Vet and is ready to go again! Her captain has continuously maintained and upgraded her systems to ensure enjoyable and reliable cruising. She features powerful twin Detroit diesels, remote controlled bow thruster, 12" Raymarine chartplotter (new 2018), autopilot, 24 mile HD radar, washer/dryer, trash compactor, central vacuum, Vacuflush heads and more. The Trojan 12 Meter Motor Yacht was considered a very high-style yacht in the late 1980s. Today it still holds that allure as a modern flush deck family cruiser with attractive lines and well balanced profile. This 40 footer offers a wide 14' beam and impressive space, with all the luxury and comfort found in larger yachts. Her wide open interior boasts a spacious salon with a full-sized reclining sofa, wrap around dinette, home sized galley and an upright refrigerator/freezer unit. With her private two-stateroom two-head layout she is comfortable and ready for guests too. With the big power of diesels, she can cruise at 18 knots and cover ground for long distances. or drop her down to an 8 knot cruise and she'll sip fuel like a trawler. The West Marine tender with Weaver davits and Lehr 2.5 hp outboard complete the cruising package allowing the crew easy ship to shore transport for those nights at anchor. If you are looking for a well-equipped, affordable vessel for the Great Loop, the Islands, or comfortable weekends do not miss out on Texas Gold. Hull 402-1003 by Bertram-Trojan, Inc. TxAu is one of the last ones made of this popular 40' motor yacht produced from 1987 to 1992. TxAu is located in Fort Myers, FL and can be seen by appointment.

## TROJAN 12 METER MOTOR YACHT WALKTHROUGH

---

Boarding the vessel from swim platform and transom door or side decks through the acrylic wing doors into the large fully enclosed aft deck. Access forward can be reached from the aft deck by full walk-around decks leading to large foredeck and pulpit with windlass and foot pedal controls. From the aft deck three steps lead up to the flybridge where there are two captains chairs and a large L-shaped bench seat. The helm is fully equipped with good visibility and ample storage. Return down the steps where a large full glass view sliding door provides access to the main salon. Down three steps there is a large reclining sofa to port and the wrap around dinette to starboard. Forward to port down two steps is the spacious galley and washer/dryer to starboard. The guest stateroom is forward with a centerline berth and hanging lockers. The ensuite head with shower is to starboard. Returning aft the master stateroom is down three steps with a centerline queen berth, ensuite head with shower to port and vanity with swivel stool to port aft. Large hanging locker and storage to starboard. Engine room access is via salon sole hatches.
